Recommendation: That the minutes of the Tourism and Economic Development Steering Committee be received and the recommendations therein be adopted.

113/22 RESOLVED on the motion of Crs Day and Sharp that the minutes of the Tourism and Economic Development Steering Committee be received and the recommendations therein be adopted.

This is page 5 of the Minutes of the Ordinary Monthly Meeting of the Lockhart Shire Council held in the Council Chamber, 65 Green Street, Lockhart – 20 June 2022.

DELEGATES' REPORTS

1. POLICE AND COMMUNITY CONSULTATION GROUP MEETING HELD AT THE ROCK MEMORIAL BOWLING CLUB ON TUESDAY 24 MAY 2022

(GM: 22/6516)

I report having attended the Police and Community Consultation group meeting held at The Rock on 24 May 2022.

All Committee members provided updates in relation to their respective communities. The following issues were noted in particular:

- Constable Alex Gosper recently commenced with the Lockhart Police and was attending his first meeting.
- Sergeant Ged Horsley has accepted a new role commencing in July and based in Wagga Wagga.
- The concerns raised at the last Council meeting regarding heavy vehicles continuing to use Green Street Lockhart despite Council having upgraded detour routes around the town which are sign posted were conveyed to the Police.
- A Rural Fire Brigade Station had been broken into recently and a defibrillator had been stolen.
 Rural Fire Brigades should be advised to carry out regular checks of their premises and ensure that everything is properly secured.
- The person previously convicted of breaking into the Lockhart IGA has been sentenced to 15 months jail with a non-parole period of 9 months.
- "Coffee with a Cop" was recently held in Lockhart which was very successful, and the community initiative is proposed to be held at The Rock in the future.
- Some funding has been provided to undertake improvements to local Police stations.
- Police are currently focussing on domestic violence and gun ownership compliance.

Cr Greg Verdon Delegate

114/22 RESOLVED on the motion of Crs Mathews and Walker that the Delegate's Report be received.

This is page 6 of the Minutes of the Ordinary Monthly Meeting of the Lockhart Shire Council held in the Council Chamber, 65 Green Street, Lockhart – 20 June 2022.

STATUS REPORT/PRÉCIS OF CORRESPONDENCE ISSUED

Status Report: Council Resolutions and Tasks to be finalised

| Minute No: | Officer to Action | Council Resolution | Action Taken |
|---------------|-------------------|--|--|
| | | Ordinary Council Meeting held 16 M | May 2022 |
| 109/22 | GM | Tender – 109 Green Street Council declines to accept the tender received from ASCO Group (Aust) Pty Ltd for the provision of public toilets at 109 Green Street Lockhart and seek separate quotations for the individual components of the project for the following reasons: a) Seeking separate quotations and being able to negotiate with different contractors for the different components of the project will provide more flexibility in seeking the most cost-effective solution bearing in mind that the funding approved under Round 4 of the Stronger Country Community Fund is less than the amount for which Council applied. b) Accepting the one tender that has been | Unsuccessful tenderer notified of Council's decision. Individual decisions currently being sought. |
| | | received for the public toilets without a contract in place for the community space component of the project will prove problematic as the community space and landscaping is critical to providing access to the public toilets. | |
| 105/22 | GM | Policy Review – Policy 2.53 Mobile Garbage Bin Issue & Replacement Policy 2.53 Mobile Garbage Bin Issue & Replacement be placed on public exhibition for a minimum of 28 days and any submissions received be considered by Council prior to adoption of the Policy. | Policy placed on public exhibition. Complete. |
| 104/22 | GM | Policy Review – Policy 1.19 Local Preference Purchasing That Policy 1.19 Local Preference Purchasing be placed on public exhibition for a period of 28 days and any submissions received be tabled for Council's consideration prior to adoption of the Policy. That Policy 2.31 Procurement be amended so as to provide that where the procurement is for less than \$3,000 and only one quote is required, where possible that quote be obtained from a local business. | Policy placed on public exhibition. Complete. |

This is page 7 of the Minutes of the Ordinary Monthly Meeting of the Lockhart Shire Council held in the Council Chamber, 65 Green Street, Lockhart – 20 June 2022.

| | Ordinary Weeting – 20 June 2022 | | | |
|---------------|---------------------------------|---|---|--|
| Minute No: | Officer to Action | Council Resolution | Action Taken | |
| 99/22 | GM | Review of Code of Meeting Practice | Code of meeting Practice placed on | |
| | | Council endorses the draft revised Lockhart Shire Council Code of Meeting Practice incorporating the amendments outlined in this report for public exhibition. | | |
| 97/22 | DCCS | Quarterly Budget Review No. 3 – Jan to Mar FY22 | Complete. | |
| | | a) The information be noted, and | | |
| | | b) The adjustments in income and expenditure in the March 2022 Quarterly Budget Review be adopted, and | | |
| | | c) The adjustments in internal and external reserves in the March 2022 Quarterly Budget Review be adopted. | | |
| 96/22 | DCCS | Draft Operational Plan Budget FY23 and Draft Delivery Program Estimates 2023/24- 2025-26 | | |
| | | a) Council endorses, for the purpose of public exhibition, the Draft Operational Plan Budget 2022/2023 and Delivery Program Budget Estimates 2023/24 to 2025/26 incorporating the Revenue Policy and Fees and Charges; and the Long Term Financial Plan 2022/23 to 2031/2032. | | |
| | | b) Following the 28-day public exhibition period, Council further considers the Draft documents at an extraordinary meeting to be held on 27 June 2022, in conjunction with any public comments or submissions received, for the purpose of adoption prior to 30 June 2022. | | |
| 93/22 | GM | Local Roads & Community Infrastructure Grants Program | Workshop scheduled to be held at 4.00pm on 27 June 2022. | |
| | | A Workshop be convened at 4.00pm on Monday 27 June 2022 to allocate the remaining balance of LRCI Phase 3 funding totalling \$305,000. | | |
| 92/22 | GM/ TEDO | Reconnecting Regional NSW – Community Events Program | Application currently being prepared based on responses received from | |
| | | Council submits an application under the Reconnecting Regional NSW – Community Events Program subject to consultation with local event organisers. | | |

This is page 8 of the Minutes of the Ordinary Monthly Meeting of the Lockhart Shire Council held in the Council Chamber, 65 Green Street, Lockhart – 20 June 2022.

| Minute No: | Officer to Action | Council Resolution | Action Taken |
|---------------|-------------------|--|--|
| 140. | to Action | Ordinary Council Meeting held 21 Ma | arch 2022 |
| 60/22 | DEES/ | Local Environmental Plan Review | |
| | DCCS | Council: | |
| | | Notes the information provided in the report regarding the review of the Lockhart Local Environmental Plan; and | 1) Complete |
| | | 2. allocates \$62,000 (excluding GST) in its 2022/23 (\$42,000) and 2023/24 (\$20,000) budgets to complete the review of the Lockhart Local Environmental Plan. | 2) Funding has been incorporated into the 2022/23 Draft Budget currently on public exhibition. |
| 59/22 | DEES | Review of Road Classification | Road classification review to |
| | | That Council: | commence after the newly appointed Director Engineering and |
| | | establishes a Road Classification Working Group to oversee a review of road classifications in the Shire; and | Environmental Services has commenced duties. |
| | | 2. nominates the following Councillors to participate in the Working Group | |
| | | A Ward Cr Rockliff | |
| | | B Ward Cr Sharp | |
| | | C Ward Cr Verdon | |
| 56/22 | GM | Development of Lockhart Industrial Estate | Request for Quote being prepared. |
| | | Council prepares a subdivision application for the development of Stage 3 of the Lockhart Industrial Estate. | |
| 48/22 | GM | Public Access – Plums Lane, The Rock | A previously commissioned land |
| | | Council agrees to maintain public access along the north/south section of Plums Lane at The Rock as the current laneway is not on the correct alignment and the adjoining landowner has blocked public access and that Council staff investigate the options for formation of a public road in the correct location. | survey held on file confirms that the existing formed track is situated on the adjoining private property. The corridor which is dedicated as public road is heavily treed with a significant amount of vegetation on it and therefore the formation of an all-weather access track on it will require significant expenditure. |

STAFF REPORTS

STRATEGIC DIRECTION A: A Connected and Resilient Community

1. RIVERINA REGIONAL LIBRARY - DEED OF AGREEMENT 2022-2026

(GM: 22/7018)

Executive Summary

The existing Deed of Agreement relating to the Riverina Regional Library service expires on 30 June 2022 and a new Deed of Agreement for the period 1 July 2022 to 30 June 2026 is required to be executed under seal of Council.

Report

Council is a member of the Riverina Regional Library (RRL). The existing Deed of Agreement covering the period 2018 to 2022 expires on 30 June 2022 and a new Deed of Agreement for the period 2022 to 2026 is required to be executed under seal of Council.

The Deed contains provisions relating to membership, management, and administration of the regional library service. The Deed of Agreement was endorsed by the RRL Advisory Committee, of which Council is a member, at its meeting held on 30 March 2022 and is now being circulated amongst member councils for signing.

It has previously been reported to Council that the Wagga Wagga City Council (WWCC) has resolved not to continue its membership of the RRL after the expiry of the current Deed of Agreement on 30 June 2022 opting to provide library services in its local government area on a stand-alone basis.

The implications of the discontinuation of WWCC's membership of RRL were considered by a Working Party appointed at the Extraordinary Meeting of the RRL Advisory Committee held on 22 July 2021. The Working Party developed a number of financial models based on various scenarios which were presented to a meeting of the RRL Advisory Committee held on 4 November 2021.

The recommended model endorsed by the RRL Advisory Committee is based on increased contributions for all remaining member councils and a reduced organisation structure in order to remain financially viable.

Based on the model endorsed by the RRL Advisory Committee Lockhart Shire Council's contribution to the RRL in 2022/23 will be \$128,575. This is an increase of \$5,652 compared to Council's current 2021/22 contribution of \$122,923.

The foregoing information was noted by Council at its meeting held on 21 November 2021 at which time it was resolved that:

"Council express its support for the funding model endorsed by the Riverina Regional Library Advisory Committee at its meeting held on 4 November 2021 and confirm its continued membership of Riverina Regional Library beyond the expiration of the current Deed of Agreement on 1 July 2022".

Integrated Planning and Reporting Reference

- A1: Facilitate and support programs and projects within the community to make them accessible to people with all abilities
- A1: Support cultural and sporting opportunities that respond to the needs of the community.

Legislative Policy & Planning Implications

The Deed is required to be executed under Council's seal. The use of Council's seal is required to be authorised by a resolution of Council.

Budget & Financial Aspects

Council pays an annual membership contribution to the RRL for the provision of library services in the Shire which is provided for in the 2022/23 Budget.

Attachments

The Deed of Agreement will be tabled at the meeting.

This is page 21 of the Minutes of the Ordinary Monthly Meeting of the Lockhart Shire Council held in the Council Chamber, 65 Green Street, Lockhart – 20 June 2022.

Recommendation: That authority be granted for the Riverina Regional Library 2022-2026 Deed of Agreement to be executed under Council's seal.

116/22 RESOLVED on the motion of Crs Rockliff and Walker that authority be granted for the Riverina Regional Library 2022-2026 Deed of Agreement be executed under Council's seal.

2. REQUEST FOR FINANCIAL ASSISTANCE

(GM: 22/7361)

Executive Summary

A request for financial assistance has been received from the Southern Sports Academy, a Wagga based Academy which provides elite young athletes from Southern NSW with cutting edge development programs designed to assist them in their pursuit of higher-level sporting achievements.

Report

The Southern Sports Academy (SSA) is a not-for-profit, organisation established to identify and prepare talented sports people in the southern NSW region to reach their maximum potential on and off the field.

The SSA is funded primarily through the State Government together with contributions from local councils and other partnerships.

In the past the SSA sought a contribution from councils of \$200 per athlete from the respective local government area at the Academy.

The SSA has now written to Council seeking financial support noting that there is currently one athlete from the Lockhart Shire Local Government Area represented at the SSA i.e. Imogen Bonny of Tootool in netball.

Integrated Planning and Reporting Reference

A3: Support our children and young people.

Legislative Policy and Planning Implications

Section 356 of the Local Government Act states that a council may, in accordance with a resolution of the Council, contribute money or otherwise grant financial assistance to persons for the purpose of exercising its functions.

Budget and Financial Aspects

Council includes an annual allocation in its budget for contributions to community groups and individuals pursuant to Section 356 of the Local Government Act.

Attachments

Nil.

Recommendation: That in accordance with section 356 of the Local Government Act, Council make a \$200 contribution to the Southern Sports Academy.

117/22 RESOLVED on the motion of Crs Marston and Sharp that, in accordance with section 356 of the Local Government Act 1993, Council make a \$200 contribution to the Southern Sports Academy.

This is page 22 of the Minutes of the Ordinary Monthly Meeting of the Lockhart Shire Council held in the Council Chamber, 65 Green Street, Lockhart – 20 June 2022.

STRATEGIC DIRECTION B: A Dynamic and Prosperous Economy

3. ADOPTION OF COUNCIL POLICIES FOLLOWING PUBLIC EXHIBITION

(GM: 22/5390)

Executive Summary

Policy 1.19 Local Preference Purchasing Policy and Policy 2.53 Mobile Garbage Bin Issue and Replacement are tabled for adoption by Council having been publicly exhibited for a period of 28 days.

Report

Policies 1.19 Local Preference Purchasing Policy and Policy 2.53 Mobile Garbage Bin Issue and Replacement were tabled for Council's consideration at its meeting held on 16 May 2022.

At that meeting Council resolved that the policies be placed on public exhibition for a period of 28 days during which time comments and submissions in relation to the policies would be accepted and considered by Council prior to formal adoption.

No submissions were received following the public exhibition. The policies are now presented for adoption by Council.

Integrated Planning and Reporting Reference

B1: Provide business support to our community.

B1: Support the growth of the business and industry sector.

C1: Provide efficient and sustainable waste management practices.

Legislative Policy and Planning Implications

Section 8A (b) of the Act states that, "Councils should carry out functions in a way that provides the best possible value for residents and ratepayers".

Council's Kerbside collection is conducted in accordance with the Local Government Act 1993 as well as the Protection of the Environment Operations Act 1997.

Budget and Financial Aspects

The Policies will have no discernible impact on Council's Budget.

<u>Attachments</u>

Copies of Policy 1.19 Local Preference Purchasing and Policy 2.53 Mobile Garbage Bin Issue and Replacement have been separately distributed to Councillors previously.

Recommendation: That Policy 1.19 Local Preference Purchasing and Policy 2.53 Mobile Garbage Bin Issue and Replacement, as publicly exhibited, be adopted.

118/22 RESOLVED on the motion of Crs Walker and Day that Policy 1.19 Local Preference Purchasing and Policy 2.53 Mobile Garbage Bin Issue and Replacement, as publicly exhibited, be adopted.

This is page 23 of the Minutes of the Ordinary Monthly Meeting of the Lockhart Shire Council held in the Council Chamber, 65 Green Street, Lockhart – 20 June 2022.

STRATEGIC DIRECTION C: An Environment that is Respected and Protected

4. PROJECT ENERGYCONNECT UPDATE

(GM: 22/7016)

Executive Summary

A further update is provided in relation to Project EnergyConnect involving the construction of an above ground transmission line between Robertstown in South Australia and Wagga Wagga in NSW. Following the Environmental Impact Statement for the Project being placed on public exhibition earlier this year, a "Submissions" report and an "Amendment" report have been released.

Report

Project EnergyConnect involves the construction of a new 330/500 kilovolt above ground transmission line between Robertstown in South Australia and Wagga Wagga in NSW that will pass through numerous local government areas including Lockhart Shire.

The purpose of the project is to provide secure and reliable electricity in the near term, while facilitating the longer–term transition across the National Energy Market to low– emission energy sources

The Project has been declared Critical State Significant Infrastructure and therefore the consent authority for this project is the Minister for Planning.

The Development Application, including the environmental impact statement (EIS), was placed on public exhibition from 19 January 2022 until 15 February 2022.

The EIS identifies the key impacts associated with the Project. The EIS also identifies potential sites for construction compounds and accommodation camps.

A suite of mitigation measures has been identified and incorporated into the EIS to guide finalisation of the proposal design and to manage the construction and operational phases of the Project to mitigate and/or manage the identified environmental, social and economic impacts.

Many of the impacts are issues for landholders situated on the proposed route of the transmission line with whom Transgrid has been negotiating over recent months.

A major consideration for Council is the impact of the project on local roads (construction haulage routes) as well as the impacts of the proposed construction compounds and accommodation camps.

The EIS includes a list of local roads in Lockhart Shire Local Government Area that will be affected and details of the mitigation measures that are proposed to be developed and implemented in relation to traffic and access issues. The mitigation measures included an undertaking that road condition surveys would be carried out for all local roads that would be used as construction haulage routes, in consultation with the relevant road authority. The surveys would be carried out prior to the road being used by heavy vehicles to support construction of the proposal and again post-construction when use by construction vehicles ceases. Roads would be reinstated to equivalent or better condition for all sealed local roads (within the vicinity or 200m of the proposal) and/or all unsealed roads on haulage routes.

A submission was lodged by Council at the time the EIS was on public exhibition noting the above undertaking and stating that the reinstatement of roads should be done within a reasonable timeframe following completion of construction in view of the district's prominence as a grain growing area.

Transgrid has now lodged some key documents with the NSW Department of Planning, Industry and Environment (DPIE) most notably its "Submissions" report and "Amendment" Report which DPIE has publicly released.

The Submissions Report identifies issues raised in submissions received during the public exhibition period as well as Transgrid's proposed response to mitigate or address the matters raised.

With respect to the submission made from Lockhart Shire Council, Transgrid has amended the proposed mitigation measure to state that any road reinstatement work would be completed within three months of construction use concluding or as otherwise agreed with the relevant road authority. This information is contained in section 4.2.21 of the report.

The Amendment Report outlines any changes to the proposed EIS documentation subsequent to the exhibition period. These changes can be brought about for a number of reasons, including as a result

This is page 24 of the Minutes of the Ordinary Monthly Meeting of the Lockhart Shire Council held in the Council Chamber, 65 Green Street, Lockhart – 20 June 2022.

of further design or field surveys conducted since the lodgement of the EIS, or potentially in addressing some of the issues raised in submissions received during the exhibition period.

In the Lockhart Shire Local Government Area there are two alignment changes to note which are included in section 3.2.1 and 3.2.2 of the Amendment Report. In summary, these changes are:

- 1. A realignment in the area south of Lake Cullivel which effectively moves the alignment up to 1.1km away from Lake Cullivel and a property boundary. According to the Amendment Report this alignment change will provide the following advantages:
 - Potentially reduced biodiversity impacts such as existing bird populations, aquatic groundwater dependent ecosystems and an existing stand of trees within the vicinity of Lake Cullivel.
 - Movement of the proposed transmission line easement further away from potential areas of flooding around Lake Cullivel.
 - Reduced visual impact for the neighbouring property to the north of the proposed transmission line.

A map showing the revised alignment in the area south of Lake Cullivel compared to the original alignment contained in the EIS is attached.

- 2. A realignment near Kings Lane to the east of Albury Rd which is discussed in section 3.2.2 of the Report and shown in figure 3.3. In summary, this change effectively removes a right-angled section of line between Albury Rd and Kings Lane and replaces it with an alignment at approximately 45 degrees. This alignment change is expected to:
 - reduce visual impact for the neighbouring property to the south of the proposed transmission line
 - reduce overall length of the proposed alignment and reduce the need for (and impact of) up to two transmission line towers, which may no longer be required
 - reduce impact on mature remnant trees on the property
 - improve engineering outcomes as it would remove the need for a heavy-strain, 90 degree angled tower.

A map showing the revised alignment south of Lockhart and to the east of Albury Rd compared to the original alignment contained in the EIS is also attached.

Council has previously made representations to limit the impact of the transmission line on land zoned for large lot residential development south of the town. This change does not lead to any direct impact to the R5 zoned land. As a result of the change there is a slight shift of the alignment closer to those blocks, however it maintains a minimum buffer of approximately 1.3km to the nearest fence line of land with an R5 zoning.

Integrated Planning and Reporting Reference

C1: Ensure responsible development practices are exercised.

Legislative Policy & Planning Implications

Project EnergyConnect has been declared Critical State Significant Infrastructure and as a result the NSW section of the project will be assessed at a State Government level under the State Significant Infrastructure process. The consent authority for this Project is the Minister for Planning.

Budget & Financial Aspects

Nil.

Attachments

Recommendation: That the information be noted.

This is page 25 of the Minutes of the Ordinary Monthly Meeting of the Lockhart Shire Council held in the Council Chamber, 65 Green Street, Lockhart – 20 June 2022.

119/22 RESOLVED on the motion of Crs Day and Marston that the information be noted.

STRATEGIC DIRECTION D: Infrastructure for the Long-Term Needs of the Community

Cr Sharp left the chamber at 5.39pm

5. ENGINEERING AND ENVIRONMENTAL SERVICES REPORT

Executive Summary

Monthly report on engineering and environmental services matters.

Background Information

a) Works

Floods November 2021 and January 2022: Emergency works for the November 2021 flood event is completed with emergency works for the January 2022 flood event nearing completion. Damage Control Project Management (DCPM) was appointed to manage the flood reconstruction works. Their project management fees are to be fully reimbursed. Council's contribution to each of the flood events is \$18,113.

Wattles Rd/Tinamba Ln: Intersections have been completed.

Prichard PI: Sealing of the 400m section and culvert installation is complete. Minor drainage works are required to complete the project.

Lockhart Kywong Rd – 1.25km North of Slocums Ln: works are progressing, with two of the three structures now completed.

Lockhart Kywong Rd – 170m North of Spanish Ave: works completed.

Mittagong Yerong Creek Road: Funding secured through the Fixing Local Roads program to increase the capacity of two culverts and add additional width on Mittagong Yerong Creek Road with construction scheduled to commence in August 2022.

Unsealed Road Maintenance: Grading program has recommenced, after being temporarily interrupted while crews were completing emergency works resulting from recent floods. The following roads have been graded: Humphrys Lane, Hendersons Road, Ashcroft Cemetery Road, Moores Bus Route, Leitch Lane, McGeachies Lane, Montagues Lane, and Soldier Settlement Road.

An updated 12-month programme will be presented at the meeting.

b) Parks and Gardens:

Ave of Honour, The Rock - Kurrajongs

Council has sourced advanced Kurrajong specimens for planting where trees were previously removed.

Removal of dead trees, pruning of trees suffering from severe dieback, and removal of dead limbs has been completed. It is hoped that the pruning of the trees with dieback will help encourage new growth and prolong their lifespan, giving new trees time to establish before too many of the older trees succumb.

The Rock Recreation Ground

The over mature peppercorn trees were recently removed as part of the boundary track upgrade. Eucalyptus eximia nana, dwarf yellow bloodwood, have been purchased and will be planted in the following weeks thanks to a donation from The Rock Touch Football Association.

Green Street, Museum Garden

As part of the refurbishment of the Museum entrance the garden has been replanted as per the masterplan.

This is page 26 of the Minutes of the Ordinary Monthly Meeting of the Lockhart Shire Council held in the Council Chamber, 65 Green Street, Lockhart – 20 June 2022.

Parks and Gardens

There's plenty do in the gardens. The Liriope under the plough at Walter Day Park have been lifted, divided and replanted around the outside of the plough garden, at Hodgson Park and in Green Street. Some planting has been done to fill gaps, especially at Walter Day Park. Routine garden maintenance is being conducted including regular weeding, spraying, pruning, deadheading and mulching. Most irrigation systems have been turned off.

Weed Control

Weed control by mechanical and chemical methods are undertaken regularly in urban areas. Pesticides commonly used are Glyphosate and Dicamba. Signage will be placed at the property entrance when spraying is in progress.

Freehand herbicide has been trialed in several lawn situations to test its ability to suppress the germination of khaki weed and Caltrop (bindi/cathead) seed. Freehand is for pre-emergent weed control of annual grasses, susceptible sedge species and many small-seeded broadleaf weeds in ornamental landscape and warm season turf situations. The trial appears to have been quite successful; use will be extended next season.

Mowing and Slashing

Growth has slowed significantly with the first frost of the season. Slashing in town and villages is still being conducted as required. Many roadsides are now quite saturated; it will be difficult to get machines on these areas for the foreseeable future.

Growth of irrigated lawns is being monitored and mowing conducted as required.

Trees

The tree maintenance program has commenced and will continue throughout autumn and winter. Council's priority has been high risk, dead, dying, or damaged trees. The bulk of these have been completed and the usual under pruning program has commenced.

Watering of any trees planted in the last two years has ceased due to regular rain, cooler temperatures and dormancy of many species.

Lockhart Shires Street Tree Policy 2.44 states; 'Council is responsible for the planting and maintenance of street trees, including the selection of species, regular health, and safety checks, pruning, and removal and replanting requirements.

Issues presented to residents regarding street trees, including species selection, maintenance and/or removal should be made in writing and addressed to the General Manager. Such issues will be resolved based on financial and time restraints.

c) Biosecurity

Control Program

Priority has been given to the control of African boxthorn (*Lycium ferocissimum*), African lovegrass (*Eragrostis curvula*), Horehound (*Marrubium vulgare*) and Silverleaf nightshade (*Solanum elaeagnifolium*) on roadside reserves and council managed land.

Pests

<u>Common White Snail Baiting Program:</u> Snail baiting application occurred on Fairview Lane on 2 May 2022.

d) **Development Applications:** The following development applications were approved, with conditions, from 1 May to 31 May 2022.

| DA/CDC No | Development | Applicant | Site of Development |

Legislative Policy and Planning Implications

Applications are processed under the provisions of the Environmental Planning & Assessment Act 1979.

Weed inspections and associated activities are carried out in accordance the *Biosecurity Act 2015* and associated regulations.

Integrated Planning and Reporting Reference

- C2: Flora and Fauna are protected across the Shire.
- D1: Our assets and infrastructure are well planned and managed to meet the needs of the community now and into the future.
- D2: Our Planning and development controls work to attract new residents and investment.

Budget and Financial Aspects

Will be conducted within Council's allocated budget.

Attachment

• Works Programme (to be handed out separately at the meeting).

Recommendation: That Council notes the information provided in the Engineering and Environmental Services report.

120/22 RESOLVED on the motion of Crs Rockliff and Mathews that Council notes the information provided in the Engineering and Environmental Services Report.

Cr Sharp rejoined the meeting at 5.45pm.

6. PREPARATION OF PLANS OF MANAGEMENT – CROWN RESERVES FOR WHICH COUNCIL IS THE CROWN LAND MANAGER AND COUNCIL OWNED LAND CLASSIFIED AS 'COMMUNITY' (GM: 22/6292)

Executive Summary

A Draft Plan of Management (PoM) has been prepared for the Crown reserves for which Council is the Crown Land Manager and for the Council owned land that has been classified as 'community' pursuant to the Local Government Act. The Draft PoM has now been approved for public exhibition by the Crown Lands Office.

Report

Lockhart Shire Council is the Crown Land Manager for a number of crown reserves in the Shire. The Crown Land Management Act imposes a number of obligations on councils that are crown land managers, most notably, the requirement to have a PoM in place for the crown reserves. In addition to this, Council has an obligation pursuant to the Local Government Act to prepare a PoM for land owned by Council which is classified as 'community'.

The NSW Government has provided financial assistance to councils to help them prepare compliant PoMs for the crown reserves. Lockhart Shire Council has received a grant of \$73,880 for this purpose.

After inviting expressions of interest from suitably qualified persons to prepare the PoM for both the crown reserves for which Council is the Crown Land Manager, as well as for the Council owned land

This is page 28 of the Minutes of the Ordinary Monthly Meeting of the Lockhart Shire Council held in the Council Chamber, 65 Green Street, Lockhart – 20 June 2022.

classified as 'community', Council at its meeting held on 21 October 2019 resolved to accept the proposal from the Albury based consultancy firm, Habitat Planning Pty Ltd.

Since that time Habitat Planning Pty Ltd has:

- 1. Revised the initial categorisation of Crown reserves in Lockhart Shire it is a requirement that approval is obtained from the Crown Lands Office regarding categorisation of the Crown reserves in accordance with the legislation. All community land must be categorised as one or more of the following:
 - a) a natural area,
 - b) a sportsground,
 - c) a park,
 - d) an area of cultural significance,
 - e) general community use.
- 2. Completed an inventory of all Crown reserves for which Council is the Crown Land Manager and for the Council owned land that has been classified as 'community'.
- 3. Prepared a draft PoM for the Crown reserves and Council owned 'community' land.

Prior to submitting a copy of the Draft PoM to the Crown Lands Office the Council, as a courtesy to the volunteer-based section 355 management committees and user bodies that manage and utilise many of the crown reserves, provided them a copy of the draft PoM for comment. This was done as a courtesy notwithstanding that a formal statutory public exhibition of the document will still have to occur once approved by the Crown Lands Office.

The Draft PoM was submitted to the Crown Lands Office some 12 months ago and since that time there have been numerous discussions between the Crown Lands Office, Council's consultant and the General Manager in relation to the document.

A number of adjustments were made to the Draft PoM at the request of the Crown Lands Office. These adjustments have no significant impact on the management of the reserves but were aimed at satisfying the Crown Lands Office that the structure and content of the document complies with the relevant legislation.

Notably, the Crown Lands Office has approved a change in category for R28847 being the Lockhart Recreation Ground to "Sportsground", "General Community Use" and "Park" as it is consistent with the reserve purpose. Currently it is also categorised as "Area of Cultural Significance". However, in order to give effect to a change in category the council must hold a public hearing in accordance with section 40A of the Local Government Act.

Section 40A states that the council must hold a public hearing in respect of a proposed plan of management (including a plan of management that amends another plan of management) if the proposed plan would have the effect of categorising, or altering the categorisation of, community land.

The Crown Lands Office has now written to advise that the Draft PoM can be formally placed on exhibition. Following the public exhibition period and the consideration of any submissions received Council will be able to finalise the process and adopt the PoM.

Integrated Planning and Reporting Reference

D1: Strategically plan for our sports and recreation infrastructure, as well as cemeteries.

E1: Meet all governance and regulatory requirements in the conduct of Council operations.

Legislative Policy and Planning Implications

The Crown Land Management Act 2016 came into force on 1 July 2018. Under the legislation councils are required to prepare PoMs for those crown reserves under their control.

The council must hold a public hearing in respect of a proposed plan of management (including a plan of management that amends another plan of management) if the proposed plan would have the effect of categorising, or altering the categorisation of, community land

Budget and Financial Aspects

Council has received funding in the amount of \$73,880 to assist with the preparation of PoMs for crown reserves for which Council is the Crown Land Manager which will be sufficient to complete the exercise.

This is page 29 of the Minutes of the Ordinary Monthly Meeting of the Lockhart Shire Council held in the Council Chamber, 65 Green Street, Lockhart – 20 June 2022.

Attachments

The Draft Lockhart Shire Council Plan of Management for Crown Land managed by Council and Council-owned land classified as 'community' has been separately distributed to Councillors.

Recommendation: That Council:

- 1. Place the *Draft Lockhart Shire Council Plan of Management for Crown Land managed by Council and Council-owned land classified as 'community'* on public exhibition.
- 2. Hold a public hearing in accordance with section 40A of the Local Government Act in relation to the proposed change in categorisation.

121/22 RESOLVED on the motion of Crs Mathews and Walker that Council:

- Place the Draft Lockhart Shire Council Plan of Management for Crown Land managed by Council and Council-owned land classified as 'community' on public exhibition.
- 2. Hold a public hearing in accordance with section 40A of the Local Government Act in relation to the proposed change in categorisation.

This is page 30 of the Minutes of the Ordinary Monthly Meeting of the Lockhart Shire Council held in the Council Chamber, 65 Green Street, Lockhart – 20 June 2022.

STRATEGIC DIRECTION E: Strong Leadership and Governance

7. INVESTMENT AND BANK BALANCES REPORT - MAY 2022

(DCCS: 22/7098)

Executive Summary

The purpose of this report is to inform Council of the funds that have been invested and bank account balances.

Report

It is required under Clause 212 of the Local Government (General) Regulation 2005 and Section 625 of the Local Government Act 1993 to provide the Council with a written report each month detailing all money that Council has invested.

Integrated Planning and Reporting Reference

- E1 Council is strong, sustainable and able to stand alone.
- E1 Plan for the long-term sustainability of the Shire.
- E1 Meet all governance and regulatory requirements in the conduct of Council operations.

Legislative Policy and Planning Implications

Local Government Act 1993 Section 625 Investments.

This is page 31 of the Minutes of the Ordinary Monthly Meeting of the Lockhart Shire Council held in the Council Chamber, 65 Green Street, Lockhart – 20 June 2022.

Local Government (General) Regulation Clause 212.

Budget and Financial Aspects

Council's 2021/22 Operational Budget has forecast a total of \$33,750 income from interest on investments for General Fund & Sewer Fund combined. For the period of July 2021 to May 2022, the average end of month balance of funds invested has been \$5.98 million and the average return on invested funds has been 0.33%. On these year to date figures, Council's budgeted income on investments will be under budget for the General Fund and Sewer Fund.

The interest on investments has been adjusted for the first Quarterly Budget Reviews to reflect reduction in income from this source.

A further adjustment was made for the third Quarterly Budget Review.

Responsible Accounting Officer Statement

I, Craig Fletcher, hereby certify that all investments listed in this report have been made in accordance with Section 625 of the Local Government Act 1993, Clause 212 of Local Government (General) Regulation and Council's Investment Policy. The Internal and External Reserve amounts and Unrestricted Funds are estimate valued only, they are subject to change and review in part with the audit of Council's Financial Statements and each Quarterly Budget Review.

Recommendation:

- a) That the 31 May 2022 Investment and Bank Balances Report be received and noted.
- b) That the Responsible Accounting Officer Statement be noted, and the report be adopted.

122/22 RESOLVED on the motion of Crs Rockliff and Walker:

- a) That the 31 May 2022 Investment and Bank Balances Report be received and noted.
- b) That the Responsible Accounting Officer Statement be noted, and the report be adopted.

8. FEES PAYABLE TO THE MAYOR AND COUNCILLORS

(GM: 22/6519)

Executive Summary

The Local Government Remuneration Tribunal (LGRT) issued an Annual Report and Determination on 20 April 2022. Fees payable to the Mayor and Councillors are required to be within the range set by the LGRT.

Report

Policy 1.1 Payment of Expenses and Provision of Facilities to the Mayor and Councillors provides that the Council shall, prior to 30 June each year, set by resolution the annual fees to be paid, monthly in arrears, to the mayor and councillors for the following year commencing 1 July, provided that such fee shall be within the range for the Council determined annually by the LGRT.

The LGRT is required to report to the Minister for Local Government by 1 May each year as to its determination of categories and the maximum and minimum amounts of fees to be paid to mayors and councillors.

Lockhart Shire Council has been categorised by the LGRT as "Non-metropolitan – Rural". This category comprises councils with a population of less than 20,000.

The LGRT has determined a two per cent (2%) per annum increase in the minimum and maximum fees applicable to each category.

The new maximum and minimum amounts payable to the mayors and councillors of "Non-metropolitan – Rural" councils, including Lockhart Shire Council, from 1 July 2022 are as follows:

| Annual Fee | - Councillor | Annual Fee - Mayor | | |
|-------------------------|--------------|--------------------|-------------|--|
| Minimum Fee Maximum Fee | | Minimum Fee | Maximum Fee | |
| \$9,560 \$12,650 | | \$10,180 | \$27,600 | |

This is page 32 of the Minutes of the Ordinary Monthly Meeting of the Lockhart Shire Council held in the Council Chamber, 65 Green Street, Lockhart – 20 June 2022.

The fees currently being paid for the period 1 July 2021 to 30 June 2022 were determined by Council at its meeting held on 17 May 2021. The fees are currently \$10,885 per annum for Councillors and \$27,060 per annum for the Mayor after the Council resolved at that meeting to adopt the midpoint between the minimum and maximum allowable for councillors and the maximum amount allowable for the Mayor.

Integrated Planning and Reporting Reference

- E1: Advocate and prepare for the long-term sustainability of our Shire.
- E1: Promote the increased participation of local people in local government and the community.
- E1: Meet all governance and regulatory requirements in the conduct of Council operations.

Legislative Policy & Planning Implications

Sections 248 and 249 of the Local Government Act provide that a council may fix the annual fee payable to the mayor and councillors and, if it does so, it must fix the annual fee in accordance with the appropriate determination of the LGRT.

If a council does not fix the annual fee, it must pay the appropriate minimum fee determined by the LGRT.

Pursuant to section 448(k) of the Local Government Act Councillors are not required to disclose an interest relating to the payment of fees to councillors.

Budget & Financial Aspects

The fees payable to the Mayor and Councillors for the period 1 July 2022 to 30 June 2023 as resolved by Council will be incorporated into the 2022/23 Operational Plan Budget.

Attachments

Nil.

Recommendation: That Council determine the annual fees payable to the Mayor and Councillors for the period 1 July 2022 to 30 June 2023.

Moved by Cr Marston, seconded by Cr Rockliff that the councillor and mayoral fees be set at the maximum amount allowable for councillors of a "Non-metropolitan Rural" council for the period 1 July 2022 to 30 June 2023.

On being put to the vote the motion was LOST.

123/22 RESOLVED on the motion of Crs Mathews and Walker that:

- 1. Council adopts the midpoint between the minimum and maximum allowable for councillors of a "Non-metropolitan Rural" council for the period 1 July 2022 to 30 June 2023; and
- 2. Fees for the Mayor for the period 1 July 2022 to 30 June 2023 be set at the maximum allowable for a "Non-metropolitan Rural" council.

QUESTIONS AND STATEMENTS

Cr Marston

i) **Welcome to Country:** Cr Marston suggested changes to the wording of Council's proposed Acknowledgement to Country.

Response – Mayor

This matter will be determined at the Extraordinary Meeting on 27 June 2022 when the draft Code of Meeting Practice, as publicly exhibited, will be tabled for adoption by Council.

Cr Day

i) Voluntary Purchase Scheme: Cr Day advised that she has been approached by a ratepayer who has expressed concern at the amount of time the Voluntary Purchase Scheme (VPS) is taking and that rates continue to be levied on their property during this time.

This is page 33 of the Minutes of the Ordinary Monthly Meeting of the Lockhart Shire Council held in the Council Chamber, 65 Green Street, Lockhart – 20 June 2022.

Response - General Manager

The General Manager advised that he is familiar with the matter as he has previously received similar representations.

With respect to the time taken to purchase the properties eligible under the VPS, the General Manager noted that there are 20 Lockhart properties included in the VPS which have been independently ranked according to flood risk. He further noted that Council receives government funding in three-year terms and based on the funding received to date, nine of the 20 properties have been purchased so far. Provided government funding continues to be made available it will still be some years before the lowest ranked properties can be purchased.

In relation to the rates levied, the General Manager advised that following the 2010/2012 floods Council provided flood-affected property owners rates relief for a period of time to enable residents to repair and restore their homes, process insurance claims etc before reinstating the annual rates levy. He also informed the meeting that these matters were the subject of an investigation by the NSW Ombudsman's office which concluded that these decisions were within Council's discretion to make and were reasonable in the circumstances.

Cr Mathews

- i) **Statement Local Break-ins:** Cr Mathews gave some history of break-ins at Lockhart IGA and stated that, in country towns, properties are vulnerable to break-ins and owners need to do what they can to secure their properties.
- ii) **Statement Potential Property Sales:** Cr Mathews advised he is aware of several properties which may become available to purchase in the future.
- iii) **Shop-front Property, Green Street –** Cr Mathews advised that an owner has expressed a wish to sell a shop-front property which is currently being utilised as a residence. Is there anything Council can do to prevent it being used as a residence?

Response – General Manager

The General Manager advised Council has incorporated provisions in its Development Control Plan to provide grounds for refusing a development application (DA) that seeks to use a shop front for residential purposes however these provisions could only be applied in circumstances where a DA is required to be lodged.

iv) **Opportunities for South Lockhart:** Cr Mathews referred to the rapidly increasing value of land sales in Lockhart and the potential for the development of land in South Lockhart with the provision of sewer and other infrastructure.

Cr Sharp

- i) Osborne Pleasant Hills Road: Cr Sharp noted that maintenance grading is scheduled to take place from 28 June 2022. Cr Sharp advised that a large pothole near the intersection of Lallarook Lane will need greater attention, including additional gravel.
- ii) **Jim Willis Lane:** Cr Sharp referred to a previous request for a road sign at the end of this road and further advised the resident has requested gravel at the end of the lane as access has become very difficult in a normal passenger vehicle.

Cr Hunter

i) **Yerong Creek Bowling Club:** Cr Hunter advised that the Yerong Creek Bowling Club are still awaiting their final occupation certificate for the construction of the community hall section of their premises.

Response – Director of Corporate & Community Services

The Director advised that he would follow this matter up with the Building and Planning Section.

Cr Walker

i) **Jetpatcher:** Cr Walker noted that many sealed roads in the Shire are becoming quite badly affected by potholes and asked if the Jetpatcher was in full time use.

This is page 34 of the Minutes of the Ordinary Monthly Meeting of the Lockhart Shire Council held in the Council Chamber, 65 Green Street, Lockhart – 20 June 2022.

Response - General Manager

The General Manager advised Council's Workshop Supervisor is having trouble getting parts for the Jetpatcher and a number of other plant items due to pandemic-related supply chain issues.

The General Manager also advised that the supply chain issues are also impacting on the delivery of the pump ordered to assist with flooding issues at The Rock which has still not been received and the new delivery estimate is July.

ii) **Electricity Bills, The Rock Showground:** Cr Walker referred to the electricity bill recently received by The Rock Showground Management Committee and asked if the Committee could have some assistance to work out how to split the usage. Cr Walker also advised the bill has doubled and asked if the new Observatory is contributing to the increase.

Response – Director of Corporate & Community Services

The Director advised he would investigate the matter and provide a response.

Cr Rockliff

Nil.

Cr Verdon

- i) **The Kings Own Hotel:** Cr Verdon advised he is receiving continual complaints regarding the stalled works at this property. Cr Verdon asked if a meeting could be arranged with the owners to ascertain their plans for the site and asked if a clean-up order could be issued.
- ii) **Street Tree John St, The Rock:** Cr Verdon advised he has received a complaint about a tree which has been pruned by Essential Energy and is now growing in a way which is causing the resident issues.
 - Response General Manager

The General Manager advised the matter would be investigated and any remedial works programmed.

- iii) **Thanks to Council Staff:** Cr Verdon thanked the General Manager and staff for the arrangements made for the Citizenship Ceremony and Awards Presentation.
- iv) **Workshop, 27 June 2022:** Cr Verdon reminded councillors about the workshop to be held on 27 June 2022 at 4pm to discuss LRCI funding, prior to the Extraordinary Meeting.
- v) **Photos 18 July Council Meeting:** Cr Verdon advised photographs of the new Council will be taken at the July meeting of Council and asked all councillors to make themselves available on that date.

CLOSED SESSION

Nil.

The meeting concluded at 6.30pm.

The minutes of the meeting held on Monday, 20 June 2022, were confirmed as a true and accurate record at the Ordinary Council Meeting held on 18 July 2022, at which time the signature was hereunto subscribed.
