Where: 39 Urana Street
(Next to the Greens Gonyah Museum).

When: Monday 9 May – Friday 13 May 2022

**We recommend women aged 50–75 have
a mammogram every two years.**

To book call 13 20 50

This service is free
No referral necessary

Mayoral Report

Hello everyone, it was with great sadness that we learnt of the passing of Alan McCormack PSM. Alan acted as General Manager of the Shire for 3 months and was instrumental in the recruiting of Rod Shaw and our current General Manager Peter. Alan provided great assistance to the Shire and his insight and experience will be greatly missed. Our deepest sympathies go to his family.

On April 1 I was fortunate to attend the 125 year anniversary of the Lockhart township and mingle with descendants of the original settlers. I congratulate the Historical Society and Progress Association on a wonderful night. I was also privy to attend the first meeting of the new Tourism and Economic Development Steering Committee. The response to the EOI for membership was fantastic and a very diverse and talented group has been appointed. I congratulate Erica Jones on being elected as Chair and Tony Choujar as Deputy Chair along with Heather Trevaskis as Timekeeper. There are exciting things happening on the tourism and economic development landscape.

I would also like to welcome Fred Groenewald who is assisting Council whilst the Director of Engineering and Environmental Services, Johan Louw, is overseas. Unfortunately, Johan has advised that he has accepted a position with Transport for NSW and will be leaving in May. I would like to thank Johan for his service and wish him every success in his new position. Arrangements are in hand to recruit a replacement.

A number of Councillors and staff undertook a bus tour of the Shire recently to see the impact of recent grant funding and issues that need to be addressed in the future. The general consensus was that the Shire is looking very good and is a credit to the staff. The potential for Galore Hill and The Rock Hill and Observatory will see the Shire benefit greatly from Tourism.

Stage 2 of Flood Mitigation works at The Rock is nearing completion and the cleaning of table drains along the Olympic Highway at The Rock should assist greatly in future rain events. The recent rains should ensure another fantastic start to the cropping season. Roadworks on the Lockhart/Kywong Rd are progressing well along with sealing of Prichard Place.

I hope everyone had a pleasant and relaxing Easter with just the right amount of chocolate. Also the local Anzac Services as always were well attended.

Until next time.

Cheers

Greg

Council Snippets 19 April 2022

Community Strategic Plan 2022-2032 and Delivery Plan 2022/23 to 2024/25

Council has adopted a ten year Community Strategic Plan and three year Delivery Plan for this term of office. The documents were adopted after being placed on public exhibition for a period of 28 days. The documents can be viewed on Council website at www.lockhart.nsw.gov.au/council/policies-plans-and-reports.aspx

A Draft Operational Plan and Budget for the 2022/23 financial year will be presented to the May Council meeting and subject to Council's endorsement will be placed on public exhibition. Any submissions received during the public exhibition period will be tabled for consideration at the June Council meeting at which time the Operational Plan and Budget will be adopted.

Digital Connectivity and Mobile Blackspots

Council has been making representations to the relevant authorities regarding digital connectivity issues in the Shire, including mobile blackspots and access to reliable internet services. To assist with its representations Council is collating information regarding connectivity issues in the Shire. If you or your business are experiencing problems please feel free to forward an email to Council outlining your situation.

Works:

Floods November 2021 and January 2022: Emergency works for the November 2021 flood event is completed with emergency works for the January 2022 flood event nearing completion. Damage Control Project Management (DCPM) was appointed to manage the flood reconstruction works. Their project management fees are to be fully reimbursed. Council's contribution to each of the flood events is \$18,113.

Wattles Road/Tinamba Lane: Minor drainage works at the Lockhart Kywong Road intersection to be completed.

Prichard Place: Extension of existing sealed section by 400 metres. The design is complete and approved by Transport for NSW. Works have commenced.

Lockhart Kywong Road (MR370) North: The section starts at 1.25km north of Slocums Lane and ends short of Seberrys Lane. The design is complete and approved by Transport for NSW. Work is scheduled to commence by the end of April.

Lockhart Kywong Road (MR370) North: The section starts at 170m north of Spanish Avenue and ends 520m South of Boree Creek Road. The design is complete and approved by Transport for NSW. Works have commenced.

TheRock Mangoplah Road: The section starts 400m west of Bulloc Hill Road and ends 630m east of Bulloc Hill Road and is complete.

Mittagong Yerong Creek Road: Council successfully secured funding through the Fixing Local Roads program to increase the capacity of two culverts and add additional width on Mittagong Yerong Creek Road. Construction of this project is scheduled to commence in August 2022.

Grading and minor gravelling of unsealed roads: Grading program has been temporarily interrupted while crews are completing emergency works resulting from recent floods.

Council Snippets 19 April 2022

Major Projects:

Flood Mitigation Construction: Excel Gray Bruni has completed eighty percent of the work at The Rock. The completed work includes the installation of six box culverts, seven small bridges and bulk earthworks to enlarge the existing channel. Finishing work is currently under way which includes guardrails, handrails, kerbing on bridges and erosion protection near the abutments. The contractor aims to complete works prior to the end of the 2021/22 financial year.

Biosecurity and Environment:

Control Program

Priority has been given to the control of Feathertop Rhodes grass (*Chloris virgata*), Bathurst burrs (*Xanthium spinosum*), Spiny burrgrass (*Cenchrus spinifex*), Horehound (*Marrubium vulgare*), African boxthorn (*Lycium ferocissimum*), Coolatai grass (*Hyparrhenia hirta*), and Silverleaf nightshade (*Solanum elaeagnifolium*) on roadside reserves and Council managed land.

drumMUSTER

The March drumMUSTER collection event occurred at Lockhart on Tuesday, 15 March. 2257 drums were inspected, raising \$695.16 for St. Joseph's School. The Rock collection event occurred on Thursday, 17 March. During this event 611 drums were inspected, raising \$171.08 for The Rock Men's Shed. drumMUSTER collection events have been tentatively scheduled for Tuesday, 13 September 2022 for Lockhart and Thursday, 15 September 2022 for The Rock.

Common White Snail Baiting Program

Snail baiting application occurred on Fairview Lane on 9 March.

Autumn Fox Baiting Program

Fox baiting on Galore Hill Scenic Reserve and Kincaids Reserve commenced on 16 March. Replacement of baits will continue for six weeks until the supply is exhausted.

Parks and Gardens:

Ave of Honour, The Rock – Kurrajongs

The avenue of Kurrajongs (*Brachychiton populneum*) is a well-known and historically significant feature of The Rock. The Kurrajongs were planted between 1956 and 1960 to replace the Silky Oaks (*Grevillea Robusta*) that were originally planted after WWI as a memorial to the 90 fallen soldiers from The Rock area.

In May 2016 Council resolved to keep The Avenue of Honour as a single specimen site, including adopting Continuous Cover Arboriculture principle to draw the replacement process out over the longest period possible to establish a range of age classes in The Avenue and therefore ensuring the integrity of the streetscape into the future.

Council is currently sourcing advanced Kurrajong specimens for planting where trees were previously removed.

(Continued on page 6)

Council Snippets 19 April 2022

Removal of dead trees, pruning of trees suffering from severe dieback to encourage new growth and prolong their lifespan, and removal of dead limbs is also scheduled to be conducted this autumn/winter.

Parks and Gardens

Routine garden maintenance is being conducted including regular weeding, spraying, pruning, deadheading and mulching.

Most irrigation systems have already been turned off or times greatly reduced. This will be monitored as the weather cools.

Weed Control

Weed control by mechanical and chemical methods is undertaken regularly in urban areas. Pesticides commonly used are Glyphosate and Dicamba. Signage will be placed at property entrances when spraying is in progress.

Freehand herbicide has been trialed in several lawn situations to test its ability to suppress the germination of khaki weed and Caltrop (bindi/cathead) seed. Freehand is for pre-emergent weed control of annual grasses, susceptible sedge species and many small-seeded broadleaf weeds in ornamental landscape and warm season turf situations. The trial appears to have been quite successful; use will be extended next season.

There is no magic wand in controlling these weeds, a multi-pronged approach using appropriate chemical and mechanical methods and including education of the public regarding the identification and reporting are necessary to reduce the spread.

Assistance by property owners to vigilantly remove these weeds on their properties, nature strips and/or laneways as soon as they emerge is essential to prevent their spread and larger infestations.

Mowing and Slashing

Autumn brings in the second major turf growth season; mowing of most irrigated lawns is still being conducted fortnightly but frequency has been adjusted when necessary.

Trees

The tree maintenance program has commenced early this year and will continue throughout autumn and winter. Council's priority is high risk, dead, dying, or damaged trees. Once the bulk of these are completed the usual under pruning program will commence.

Watering of any trees planted in the last two years has been conducted as required.

The Lockhart Shire's Street Tree Policy 2.44 states: 'Council is responsible for the planting and maintenance of street trees, including the selection of species, regular health, and safety checks, pruning, and removal and replanting requirements. Issues presented by residents regarding street trees, including species selection, maintenance and/or removal should be made in writing and addressed to the General Manager. Such issues will be resolved based on financial and time restraints.'

REWiRE your small business

The REWiRE project is a federally funded program, to provide fully subsidised one-on-one coaching to support small business owners that need a helping hand.

We have a diverse range of business coaches from various industries with specialised skill sets such as accounting, strategic marketing, hospitality and business operations to support our clients with the various challenges they may be facing as a result of drought, bushfires and COVID-19.

**So, what next...

School News

Pleasant Hills Public School

Cross Country: Greater Kengal Schools participated in their annual school cross country today. Thank you to all staff, parents and the P& C for catering and assisting. Congratulations to the students as Pleasant Hills Public School was named Champion School for 2022! Special congratulations to our Age Champions - Samantha, Sam, Milly and Charlotte.

NAPLAN: Naplan will again be online this year. This will commence in Term 2 week 3.

TENNIS : Tennis lessons have begun at the school this term. The students are enjoying them and their tennis skills are developing!

HARMONY DAY: PHPS celebrated Harmony Day on the 22/3/22. The students came dressed in a splash of orange!

St Joseph's News

On Friday, March 25, eight of our students received the Sacrament of Reconciliation for the first time. This was the next step on the sacramental journey for them and they will now begin to prepare to receive their first Holy Communion in Term 2.

We had a visit from the AFL development officer who ran a fun clinic for all classes. Our Year 3-6 boys also competed in the second level of the Paul Kelly Cup in Wagga and had some amazing results.

On the last day of term, we held our school Cross Country. Congratulations to all of our students for their participation and some of these students will now go on to the Diocesan Cross Country early next term.

School News

Lockhart Central School

Term 1 Student Wellbeing: This term, we ran a number of wellbeing activities for students. Activities such as Primary School Art Club at lunch, and cupcake making and decorating in week 11.

Student wellbeing is a key focus for Lockhart Central School, activities and opportunities to be creative, form healthy social peer groups, and avenues to express yourself are just some of the ways the school works towards holistic care for our school community. Our employed wellbeing team consist of the school counsellor, Family Worker in Schools, Student Well-being Officer, and School Chaplain.

If you or a family member would like support, or know more about well-being services provided, please contact the school. - Mr Lucas King

Stage 4 Music: This year, Stage 4 have been able to experience a range of instruments. At the start of Term 1, students experimented with Woodwind and Brass instruments such as Tuba's, Trombones, Trumpets, and Saxophones.

We have been learning about a range of genres of music, the importance of First Nation Australian music in culture and society, and we began to consider band performances later this year.

Over the next two terms all Stage 4 students will be learning guitar and keyboard.

GRIEF and LOSS COURSE

Big or small, sudden or unexpected, loss is a part of our everyday lives. Over the past two years we have become increasingly aware of the tremendous impact of grief in our lives as we have dealt with lockdowns, restrictions, the inability to spend time with friends and family on important days, and massive changes to our church and community life etc.

The Grief and Loss course allows us to reflect on the losses we have experienced (throughout our lives), to share our struggle, to make sense of it all, access resources to help us with the journey, and to learn valuable strategies for processing and working through our grief in helpful ways. Lorraine Hoffmann and Rev Yvonne Gharvalis are offering a five week healing journey via Zoom from Monday 9th May at 11am and/or 7pm depending on interest. If you would like to find out more contact Lorraine Hoffmann either by emailing lahoffman@bigpond.com or ringing 69206233 or 0427204051.

The NSW Police Force COMMUNITY PORTAL is a community portal for all your policing needs

From **ONLINE CRIME** and **LOST PROPERTY** reports, to applications for **INFORMATION**

Not only can you use the portal to create a police report online, but it gives you the ability to track and receive status updates on your report, such as:

- theft, including the failure to pay for goods or services
- fraud
- lost property
- intentional damaged property or graffiti
- minor vehicle collision
- Crime Stoppers report.

The Community Portal enables you to create an online application for:

- NSW Police Check (**National Police Check**)
- Insurance Related Police Event Report.

When you access the Community Portal to create a report, you'll need to:

1. provide your personal details
2. provide details of the incident
3. verify your email address.

If the incident is an emergency or occurring now, contact **Triple Zero (000) immediately.**

Visit the NSW Police Force Community Portal website to register today.

BROOKDALE

Black Tie Ball

On behalf of The Brookdale Black Tie Ball Committee, we would like to thank all who attended and generously donated, making the 4th Brookdale Ball a huge success.

With your help we were able to raise a total amount of \$25,000, which has now been handed over to The Sebastian Foundation 'Open Parachute Program'. This amount enables 833 students to participate in this amazing initiative which will help to equip them with the mental armour needed to get through many issues that are thrown their way. It's an amazing result which is going to have a huge impact on our community and one that would not have been possible without the support of our attendees, sponsors, and donors.

The program will be implemented into any of our local rural schools wishing to take part.

For more information on the program head to: <https://thesebastianfoundation.org/news/open-parachute/>

Please accept this as a sign of our appreciation for all of your support and we look forward to teaming up with you all again in the future.

Thank You from the bottom of our hearts,

Juanita Kurrle, President – Brookdale Black Tie Ball

125th Anniversary of the Lockhart township

On the 1st of April, a very successful dinner was held celebrating the 125th anniversary of the township of Lockhart. 125 years ago Lockhart was a fledgling community and much has changed in that time.

Almost 100 people attended the dinner and were entertained by a rendition of local history by Peter Smith of Milbrulong and a power point presentation that Heather Trevaskis prepared and presented at the Powerhouse museum. Representatives from many families who had been in Lockhart 125 years ago were present including one family that had even travelled from Queensland to be present.

NSW Planning Portal

Lockhart Shire Council uses electronic lodgement of Development Applications (DA), Construction Certificates (CC), Complying Development Applications (CDC) & Section 68 through the [NSW Planning Portal](#). Applicants will need to establish their own account and then lodge their DA's, CC's and CDC's. For further information or for assistance please contact our Planning & Building team.

This is the process that Council recommends you follow:

- Contact our Planning Team on 02 6920 5305 to discuss your application or to arrange a pre lodgement meeting if required.

Visit the [NSW Planning Portal](#) to [Register](#) for a NSW Planning Portal account to start your application. This will enable you to access your dashboard, view, manage, track and progress applications, pay state agency fees and submit documents. You will also receive email notifications at key stages of the application process.

[Log in](#) to complete the online application form.

- For DA's and CC's you will need to submit a State of Environmental Effects, owner's consent, cost estimate report as well as all supporting plans and documents.
- For CDC's you will need to submit a certificate of title, site plan, design plans, structural plans and building specifications.
- Once we receive your application, Council will do a preliminary assessment and contact you to arrange payment of fees or request additional information.

Once Council is satisfied with the information provided and fees are paid, your application can be lodged.

Council encourages all applicants to arrange a pre lodgement meeting with the Planning & Building team to ensure all required paperwork is ready before lodgement.

Building & Planning Services

APPROVED DEVELOPMENT APPLICATIONS

Pursuant to Section 4.59 of the Environmental Planning and Assessment Act, 1979, the following development applications were approved, with conditions, from 1 March 2022 to 31 March 2022. FOGO

Food Organics Garden Organics

To help keep our product free from contamination, only put the items listed below into your FOGO bin.

- Food scraps including meats, dairy, citrus, onions, tea bags and animal waste
- Cooked meals
- Lawn clippings
- Garden prunings. Please do not place large, thick branches or prunings into the FOGO bin. Prunings should be no thicker than your finger.

Compostable

Only use compostable caddy liner bags that display the above symbol

(no plastic shopping bags)

This symbol can also be found printed on packaging, such as compostable coffee cups, cutlery and plates. Sometimes it may also say 'AS4736 compostable'.
