SEEKING EXPRESSIONS OF INTEREST TO HOST AUSTRALIA DAY 2019 IN LOCKHART

**Australia Day 2019 will be celebrated throughout
Australia on Saturday, 26 January 2019.**

Celebrations for 2019 will be held in Lockhart and local community organisations are invited to nominate to organise this most important event.

The successful organisation will be provided with financial support from Council to assist with the arrangements and it provides the host organisation with the opportunity to raise additional funds for its own use.

Expressions of interest from host organisations will be received by Council until 4pm on Friday, 2 November 2018.

For enquiries please contact Leonie Arnold on 6920 5305.

Mayor's Report

Hello Everyone.

Well another month has passed and some very good falls of rain have been received by many which may help quite a few crops. Hopefully it doesn't spoil too much hay.

Firstly, let me offer on behalf of the Council our most sincere condolences to the Edwards family on the very tragic loss of their son/grandson. It must be a terrible time for all the families involved and I have no doubt that the wider Yerong Creek community will give support where ever possible.

Activities continue throughout the Shire with the CWA Annual Conference being held at The Rock with the Hall being filled to capacity with ladies from all over NSW in attendance. The cakes, scones and bikkies were amazing.

On Friday, 5 October the Lockhart Picnic Races were held with a great crowd in attendance on what turned out to be a beautiful cloudless day. On 12 October I had the pleasure of emceeing the opening of the Water Tower Mural in Lockhart by the Hon. Wes Fang MLC. This was followed by the opening of the "Walk of Fame" in Lockhart, which shows pictures of and gives a history of people who have gained national and international fame.

On Saturday and Sunday, 13 and 14 October Lockhart's "Spirit of the Land" Festival was held with an amazing crowd attending, all enjoying great stalls and entertainment as well as an awesome fireworks display on Saturday evening by the lagoon. I think it's pleasing to note that the Festival is now a fixture on people's calendars and I believe it will only get better every year. Congratulations to the Committee for a job well done.

On Saturday, 27 October we will have the pleasure of opening our newly refurbished swimming pool complex in Lockhart. People who attend the opening will see for themselves what an unbelievable facility it is and how much it will offer the Lockhart community.

November 16 will see the opening of stage one of The Rock swimming pool upgrade, being the new change rooms and Community Centre and gym. This will give The Rock a big lift in serving the community with stage two being the new pool to be completed next winter. Also at The Rock, plans are progressing for the Observatory and the new housing blocks should go on sale very soon.

Road works throughout the Shire are continuing as well as the commencement of culvert and bridge upgrades allowing higher mass limits on trucks, etc. Council has plans for further improvements throughout the Shire (funds permitting), and I think if you travel through the Shire you will see a lot of activity by Council staff in improvement works.

Visitor numbers have increased quite dramatically since the water tower mural has been completed and I'm sure that the Observatory will have the same effect. This is very good for local business and we as a Shire must encourage and support where ever possible these projects. Lockhart Shire is gaining a reputation as a "can do " shire and we must maintain the momentum.

That's about it from me this month but I hope next month will be much better for everyone.

Cheers for now, Rodger Schirmer; Mayor

P.S. I signed off like that this month as many newcomers to our Shire, on reading this report, said they didn't know the Mayor's last name.

BIOSECURITY AND ENVIRONMENTAL REPORT:

Riverina LLS Regional Weeds Committee Meeting

Council's Environmental Officer attended the Riverina Local Land Services (LLS) Regional Weeds Committee Meeting held on 6 September at Narrandera. Topics included: the changes to the NSW Pesticides Regulation 2017 and the consequences for public land managers requiring EPA ground applicator licences; NSW Department of Industry's desire to implement mandatory weed inspections to point of sale of properties, which was complimented with weed officers' objections based on the reasoning that this will redirect resources from the current strategic inspection plan focused on high risk sites and pathways, and complicates the issue of privacy; vehicle and hygiene protocols, including the installation of the weed hygiene station at the Pomingalarna Reserve, and future implications of the movement of fodder around the country; the Travelling Stock Reserves Weed Management Plan currently being developed and the reviewing of permits; coordination of the Henty Machinery Field Days weed display and personnel; and Riverina LLS' unsuccessful application for funding through the 2018-2019 NSW Regional Weed and Pest Animal Drought Funding Program, with all allocated funds being allocated towards pest animal programs.

Wagga Wagga Urban Landcare Spring Wildflower Walk at Galore Hill Scenic Reserve

The Galore Hill Spring Wildflower Walk occurred on 30 September with 27 participants attending. The majority of participants were from Wagga Wagga Urban Landcare, Murrumbidgee Field Naturalists, and Murrumbidgee Landcare. A member of the Murrumbidgee Field Naturalists discussed the history of the reserve, with Council's Environmental Officer reporting on the findings of the biodiversity survey that was completed in 2017, discussing the threatened bird species that are present on the reserve, the identification of the microbats through

recordings, and the unique vegetation composition of the reserve. Very little groundcover was present on the day due to dry conditions, but the participants appreciated the sighting of reptiles, the presence of native saltbushes, the identification of Aboriginal scar trees, and the discussion regarding the management of the reserve, including feral pest control, biological control options and the future vision of the reserve.

ENGINEERING REPORT:

Works Report:

Two grader crews have commenced gravel re-sheets as well as continuing with maintenance grading in accordance with an updated programme. Other construction projects are due to commence in late November 2018 with shoulder widening of The Rock Mangoplah Road to occur first.

The concrete crew is undertaking the Higher Mass Limits bridges project as well as external swimming pool upgrade works. Council has commenced the repair and upgrade of 9 bridge structures throughout the Shire. The bridge works are progressing well with pylon works completed on both Moreys and Egans bridges. It is planned to have the bridges completed prior to Christmas 2018 and the new culverts to be undertaken in the New Year. Council has just been advised that it has been successful with its grant application under the Heavy Vehicle Safety & Productivity Program (HVSPP) for replacement of a further 4 structures as well as Flood Detour Road upgrade. It is expected that these projects will commence in mid-2019. Council has also just been advised it has been invited to submit a full business case for the upgrade of Urana Lockhart Road, which would be the widening and heavy patching works on 22.5km of MR59. The full business case is required to be submitted by mid-October 2019.

Traffic Committee:

A report has been presented to the Traffic Committee to extend the 50 km/hr zone on the west side of Lockhart to incorporate Flood Detour Road in the urban zone. This has been

Council Snippets 15 October 2018

undertaken as part of the design process to upgrade and seal the road.

MAJOR PROJECTS UPDATE:

OCTOBER 2018

Council is currently undertaking a number of major projects and the status of each of these is as follows:

a) *Swimming Pools Upgrade*: (i) *Lockhart* pool works is nearing completion, with the three pools completed and due to be filled with water mid-October. The concourse and new plant room are complete, with final fit out of equipment occurring. The amenities have been completed with only painting touch up to go. External works are well advanced with concreting completed and fencing works being undertaken. The new BBQ and playground is to be installed in mid-October, with re-painting of the existing building and pergolas completed. (ii) *The Rock* new amenities is now well advanced with internal tiling and sheeting complete. External cladding is complete, with tiling to occur shortly and internal fit out to be completed in coming weeks. External works will commence in mid-October once contractor's concrete works are completed.

Dates for pool openings have been locked in, with *Lockhart* pool being Saturday, 27 October 2018, 62 years to the day from opening of the original pool. The *Rock* amenities opening is scheduled for Friday, 16 November 2018. The *Rock* pool works itself is planned to be undertaken in 2019 between swimming seasons.

b) *Flood Mitigation Construction-The Rock*: The *Rock* *Stevens Street* drainage is progressing well. The main drain and *Mangoplah Road* culvert crossing are complete, as is the culvert on private land. The Main Southern Rail Line shutdown occurred on 1 September 2018, where new rail culverts were installed. The additional culverts crossing for the Olympic Highway are now on hold while an alternative contractor is being sourced. All

works are now most likely to occur in March/April 2019.

PARKS AND GARDENS REPORT

Lockhart Cemetery

Concrete edging has been installed at the lawn cemetery to define the grass from the garden beds.

CWA Park

Following the painting of the water tower which involved parking a very large crane on the lawn, a corer was hired and then the lawn was top-dressed. The gardens were tidied up prior to the grand opening of the tower.

Council took advantage of the daily hire rate and also cored and top-dressed a number of other areas. The coring appears to have been quite successful. The corer will be hired again in the future to renovate some larger lawn areas.

Walter Day Park

Corten steel edging has been installed around the garden beds in *Walter Day Park*, continuing the edging used in the landscape work around the new toilet block last year. The edging will define the gardens and assist with lawn maintenance. The lawns are being top-dressed along the edging and the gardens freshened up with new mulch.

The granite path will also be extended from 'The 9 Martyrs' to the *Halliday Street* side of the rose garden to encourage visitors to explore the park further.

Standard iceberg roses have been planted on the *Urana Street* side of the new toilet block and on either side of the gates.

Rosemary has been planted behind the newly installed *Walk of Fame* plaques and will also be planted under the standard roses at the gate. The combination of roses and rosemary should complement the historic gate quite nicely and rosemary obviously has links to remembrance in regard to the *Walk of Fame*.

Seven new 'A Country Woman' roses have been planted to complete the *CWA* section of the *Walter Day Park* rose garden and two standard and four shrub 'Red Cross' roses have been planted in the *Red Cross* section.

COMPLIANCE OFFICER UPDATE

At the Council meeting held on 17 July 2017 Council endorsed the position of 'Temporary Compliance Officer' for a fixed term of two (2) years. This position was filled in October 2017, and a 12-month progress update was provided to Council for its information.

Priority has been given to companion animals, and updating the NSW Companion Animals Register, which the Compliance Officer is conducting through a physical door knock of all properties in the Shire. So far, all properties in Lockhart and The Rock have been visited by the Compliance Officer.

Since starting in October 2017:

- 636 companion animal checks done on individual properties in Lockhart and The Rock;
- 26 fire hazard/overgrown properties have been inspected, and with letters sent to owners;
- 7 Notices of Intent to issue an order under Local Government Act 1993 requiring hazard reduction works for overgrown properties;
- 2 Orders issued under Local Government Act 1993 requiring hazard reduction works for overgrown properties;
- 52 letters sent requiring companion animals to be microchipped and registered;
- 50 complaints received and investigated, from residents regarding companion animals;
- 65 companion animals microchipped;
- 176 new companion animals registered;

- 23 car bodies removed through volunteer collection;
- 9 unregistered vehicles removed from public places;
- 50 inspections of on-site sewerage management systems undertaken;
- A total of \$5,830 in infringements notices issued for various offences.

Furthermore, swimming pool compliance inspections form a component of the Compliance Officer's role, and they are currently being conducted under the supervision of Council's Manager Environmental Services. To date, approximately 25 pools have been inspected for compliance by Council's Compliance Officer.

In addition to these activities, the Compliance Officer has been called upon to undertake many other roles, including call outs, investigation of attacks from companion animals, upgrades to the Lockhart impounding facilities, trapping and disposal of feral cats from landfill sites and public reserves, providing statements for and responding to Police requests, control of roaming stock, and many more. These activities have generated a substantial amount of additional administration work, which is shared between the role and existing Environmental Services staff.

It is pleasing to note that, with this position, Council's response time to incidents has significantly improved by a factor of days, and overall community acceptance and acknowledgement of the service has been positive

Rates information

If paying by instalments, your next instalment will be due by 30 November 2018

Overdue Rates are subject to daily interest in accordance with the provisions of *The Local Government Act, 1993* at the interest rate approved by the Minister for Local Government. Currently, interest is set at 7.5% pa.

Failure to contact Council regarding overdue Rates may result in additional and unnecessary recovery costs which will be added to your account.

Spirit of the Land Festival

Thank You

Thank you to the Lockhart Community for once again getting behind the Spirit of the Land Festival. We have received lots of positive feedback which is pleasing. We were particularly pleased with the number of visitors to the town bearing in mind the number of other events being held in the region on the same weekend.

I would like to particularly thank the members of the Spirit of the Land Committee who worked so hard to make the Festival a success. Thank you also to the dedicated team of volunteers who assisted in many different ways including co-ordinating the registration of sculptors, artists and stallholders; manning the entrances to the exhibition areas; setting up and packing up; providing trucks and equipment; hanging flower baskets and flags; transporting portable toilets and helping with the many other aspects of the Festival.

I would like to express appreciation to those who opened their gardens and co-ordinated Farm Tours which diversifies the attractions and enhances the Festival. Thank you also to the many 'Friends of the Festival' who continue to support the Spirit of the Land each and every year.

The co-operation and assistance received from Lockhart Shire Council staff with respect to road closures, traffic management, waste management, parks and gardens maintenance, advertising and promotion and the like is also greatly appreciated.

With the support and co-operation of Lockhart Shire Council the 2018 National Farm Art Sculpture Award winner, *Bunyip of Burra Creek*, will be displayed in a public place for the next 12 months, replacing the previous year's winner "*Magpie Song*".

Thanks to the Lockhart and District Community Bank – Bendigo Bank two other sculptures will remain permanently in the Town and form part of the wider collection and Sculpture Trail. Whilst the Bank has traditionally purchased a sculpture each year, this year the Bank has purchased two sculptures namely "Cubed" and "Waratah". These will be placed in a public space to be determined in consultation with the Council.

The Festival of course would not be possible without the generous support of our sponsors and in this regard I would like to acknowledge: -

Lockhart Shire Council, Lockhart and District Community Bank – Bendigo Bank, Riverina Water, Lockhart Anglers Club, Lockhart Ex-Servicemen's Club, Lockhart IGA, Delta Agribusiness, Friedlieb Fox McLeod Solicitors, Lockhart Lions Club, Lockhart Rotary Club, Burkinshaw Transport, Coates Hire, John Bance and Son Funeral Directors, Bush and Campbell Accountants, GrainCorp, Tasco Petroleum, Verandah Town Electrical and MWS Fabrication.

Once again thank you to everyone involved and I look forward to another successful Festival next year.

Peter Veneris
President
Spirit of the Land Lockhart Inc.

Red Cross – Lockhart Branch

Red Cross Lockhart Branch will be supplying morning tea for the 100th Anniversary of Armistice Day at the Lockhart Cenotaph 11 November from 10.15am – 11.30am.

The Op-Shop opened for the Spirit of the Land Festival and keeping with the “Yarn Bombing” effort, the shop windows were decorated with pom poms made by volunteers. One window was red and white for Red Cross and the other window was pink for Breast Cancer month, October. Red Cross has given a donation to the “Let’s Talk” program. Bookwork and recorded notes from Red Cross dating back to 1939 have been taken to the Green’s Gonyah Museum. The Op-Shop now have a huge new range of CD’s and DVD’s and a lot of new books, swap any 3 of equal quality for \$1 or buy singly. This year’s Christmas raffle will have a patchwork quilt and a \$100 hamper as prizes.

Virtual Reality Fun at The Rock Central School

Students in Years 7 – 10 at the Rock Central School were able to experience the technological world of Virtual Reality (VR) on Monday 24 September. Virtual reality (VR) is an interactive computer-generated experience taking place within a simulated environment that incorporates mainly auditory and visual experiences. The students also had an opportunity to experience the setting up and workings of a 3D Printer and a small glimpse at Augmented Reality. Everyone had a great time with the technology even the teaching staff. The technology fulfilled morning was an initiative of the Lockhart Shire.

Virtual Reality will be available in the December/January holidays at a venue to be confirmed in Lockhart.

Congratulations to Ben Hunt and Matthew Chant who competed at the MacKillop Athletics Carnival in Sydney at the end of term. Ben ran 8th in his 100m race and Matthew placed 7th out of 14 in shot put and 4th out of 15 in discus with a new PB. What an amazing effort by both of our boys!!!

The Rock Central School

On Friday, 14th September, students from Year 9 and 10 volunteered their time and effort to complete some jobs at The Rock Pre-school. Students worked hard to 'Fluff' up the soft fall under the play equipment using a rotary hoe and shovels. They attached additional wire to the fence to keep the chickens contained, filled up the sand-pit, pulled weeds and spread straw over the garden beds. It was wonderful to see the students get stuck in and do something for their local community!
