Mayoral Report

The New Year period came and went too quickly and now we are back into full swing with a big program of works to get through.

The year started with our Australia Day ceremony which was catered for by the Lockhart Football/Netball Club who did a fine job. Congratulations to Keith Edgerton on being awarded Citizen of the Year, Mick Flinn a Community Award, Aaron McCarthy Sportsperson of the Year and Nick Madden Young Citizen of the Year.

As you are aware this March the State Election will be held and we have been the beneficiaries of some additional funding. We have received \$1m for disaster recovery, our priorities for this funding if approved by State Government are drainage works in Emily Street The Rock, Cole Street Yerong Creek and Pritchard Place Lockhart. Culverts for the Flood Detour Rd at Lockhart and sealing of access roads at our waste facilities. We have also received an additional \$2.4m to assist us with repairs and maintenance of our road system. Stronger Country Community Grants were also announced and these include \$120k for tennis courts at Pleasant Hills, \$140K for the Brookong Creek Masterplan and \$600k for a new Community Centre at The Rock.

The General Manager and I recently met with the new CEO of Telstra and senior managers to continue our push for improvements in mobile reception and connectivity issues. I will also be attending a Rural Forum in Sydney to discuss priorities for regional and rural communities in the upcoming election. In a further boost for local tourism Council was successful in securing funding for Electric Vehicle (EV) charging stations at Lockhart and The Rock.

Special thanks to Crs Day and Matthews for organising the recent Seniors Event in Lockhart. It was an impressive turnout from around the Shire and the feedback has been very positive. Thanks also to Dr Joe McGirr for taking the time to come out and address the group.

Councillors and senior staff will be undertaking a bus tour of the Shire on 20 March prior to the setting of our 2023/24 budget, this will assist us in determining priorities for next financial year. Also the exhibition time for the LEP has been extended until early March if you wish to make a submission.

Council would also like to welcome our new Police Sergeant Damien Davies who has commenced duty. Damien would be familiar to a lot of Lockhart residents as he was previously stationed here. I would also like to welcome my new granddaughter Ruby MacKillop Pedemont to the family.

On a sadder note the Shire recently lost some distinguished citizens namely Gary and Des O'Connell, former councillor Peter Wilson and our wonderful artist Doris Golder. These people have made a significant contribution to the Shire over many years and Council extends its condolences to family and friends.

Until next time

Cheers

Greg

Parks & Facilities

Australia Day

The gardens surrounding Lockhart pool were tidied and mowing scheduled to coincide with the celebrations held at the facility.

Parks and Gardens

Garden maintenance has been stepped up to get weed growth back under control, efforts have been concentrated around high traffic areas. Irrigation systems are being checked regularly and maintained as required.

Weed Control

Weed control by mechanical and chemical methods is being conducted within urban areas as resources and conditions allow. Pesticides commonly used are Glyphosate and Dicamba. Signage will be placed at property entrance when spraying is in progress.

Mowing and Slashing

The summer mowing schedule has continued; due to high growth conditions most areas have needed to be mowed again after the Christmas break. Extreme weather conditions will be considered when scheduling slashing. Fortnightly mowing and edging is being scheduled for most irrigated areas.

Trees

Athel Pines along East St/Albury Rd are scheduled to be removed in February.

Watering of trees planted in the last two years is being conducted weekly.

Lockhart Shires Street Tree Policy 2.44 states; 'Council is responsible for the planting and maintenance of street trees, including the selection of species, regular health, and safety checks, pruning, and removal and replanting requirements.

Resident concerns regarding street trees, including species selection, maintenance and/or removal should be made in writing and addressed to the General Manager. Such issues will be resolved based on risk and available budget and resources.
