DELEGATES' REPORTS

1. LOCAL GOVERNMENT NSW DESTINATION AND VISITOR ECONOMY CONFERENCE HELD IN WAGGA WAGGA FROM 28-30 MAY 2024.

I report having attended the Local Government NSW Destination and Visitor Economy Conference which was held in Wagga Wagga from 28-30 May 2024.

This event, supported by Wagga Wagga City Council, Coolamon Shire Council, and Junee Shire Council, brought together 180 Local Government staff, Councillors, key industry stakeholders, and local operators to discuss the latest insights and the ever-changing world facing future visitors.

This year Lockhart Shire Council registered five delegates: Cr Frances Day OAM, Heather Trevaskis and Fiona Beckett, both members of the Tourism & Economic Development Steering Committee; as well as Matt Holt, Tourism and Economic Development Officer; and Alirah Lub, Tourism & Marketing Administration Trainee.

The Conference was a comprehensive event that provided valuable insights into the tourism industry including topics such as events, marketing, agritourism, creative arts, sustainable practices including EV chargers, community engagement, and the enhancement of visitor experiences to ensure the long-term viability of the tourism industry.

A highlight of the conference was the site visits to Junee and Coolamon as well as the walking tour of Wagga Wagga.

Speakers included Destination NSW CEO Steve Cox, Tourism Australia Acting General Manager, Dom Mehling, and the NSW Minister for Arts, Music and the Nighttime Economy, Jobs and Tourism, the Hon John Graham MLC.

STRATEGIC DIRECTION A: A Connected and Resilient Community

1. REQUEST FOR FINANCIAL ASSISTANCE

(GM: 24/7264)

Executive Summary

A request for financial assistance has been received from The Rock Central School on behalf of a young student and resident of the Shire which is tabled for Council's consideration.

Report

A request has been received from The Rock Central School to financial assist Savannah Swift of The Rock to represent New South Wales at the National Swimming Titles to be held at the Gold Coast for which she has qualified.

More information is contained in the written request received by Council a copy of which is attached.

Council has previously provided financial assistance to young athletes to enable them to participate in State and national competitions or pursue their high-level sporting achievements.

In June 2022 Council resolved to contribute \$200 to the Southern Sports Academy for a resident of the Shire enrolled at the Academy.

In June 2023 Council resolved to contribute \$400 to the Southern Sports Academy for two residents of the Shire enrolled at the Academy i.e. \$200 per athlete.

Consistent with previous resolutions it is recommended that Council donate \$200 to Savannah Swift to assist with her expenses in representing New South Wales at the National Swimming Titles.

5 June 2024

Dear Members of the Lockhart City Council,

I am writing to you on behalf of Savannah Swift, a Year 9 student at The Rock Central School, to request your support for her participation in the All Schools National Swimming Competition. This prestigious event will take place at the Gold Coast Aquatic Centre from 27th-31st July 2024.

Savannah has demonstrated exceptional talent and dedication in swimming, consistently achieving outstanding results in her competitions. Her commitment to the sport and her achievements have earned her a place to compete at the national level, a testament to her hard work and determination.

However, the cost of attending this competition, including travel, accommodation, and entry fees, is substantial. As such, we are seeking sponsorships or grants to help cover these expenses. We believe that supporting Savannah in this endeavour will not only aid her personal and athletic development but also bring pride and recognition to our community.

We kindly ask the Lockhart City Council to consider providing financial assistance to Savannah. Your sponsorship would not only enable her to compete at a national level but also serve as an investment in the future of our local youth, encouraging them to pursue excellence in their respective fields.

We are more than willing to provide any further information required and to discuss this request in detail. Thank you for considering this opportunity to support a promising young athlete from our community. We look forward to your positive response.

Yours sincerely,

Dr Nim Weerakoon
Principal

4. PROPOSED MODIFICATION OF DA50/19 – INSTALLATION OF NEW SERVICE STATION AT 4760 OLYMPIC HIGHWAY, THE ROCK

(DPE: 24/6909)

Executive Summary

Council has received a Section 4.55 Modification application for the proposed service station to be located at 4760 Olympic Highway, The Rock. The Modification application relates to two (2) conditions on the Development Consent regarding Developer Contribution payments and Long Service Levy payments.

Report

The Modification application seeks to remove conditions number 13 and 31 of the current Development Consent. These conditions are listed below:

13) Section 94A Levy Development Contributions

Prior to the issue of a construction certificate, a receipt for the payment to Lockhart Shire Council of Section 94A Levy Contributions shall be submitted to the Certifying Authority.

The Section 94A Levy is calculated at 1% of the cost of development, as determined at the date of this consent. The total contribution to be paid has been calculated at \$48,000.

NOTE: This amount may change if there is a delay with payment of the levy, as the cost of works is to be indexed before payment to reflect quarterly variations in the Consumer Price Index (CPI).

31) Long Service Levy

The long service levy is payable under Section 34 of the Building & Construction Industry Long Service Payments Act 1986. Section 6.8 of the Environmental Planning and Assessment Act 1979 requires that a construction certificate cannot be issued unless the long service levy has been paid.

The applicant has provided the following justification as to why they would like to remove the above conditions:

While Terra Ferma is committed to building The Rock Service Station, the current market environments and the lack of a leasing tenant is making this development unfeasible. This is why we are requesting for the Council to help by forgoing any potential fees or levies in order for us to get the Construction Certificate this month in order to commence work on the development.

The development is subject to the old Developer Contributions Plan that was introduced in 2002. This Contributions Plan requires payments prior to the issuing of a Construction Certificate and that other arrangements for payment are at the Council's discretion and depend upon the circumstances of the contributor or development. The current Development Contributions Plan that was introduced in 2020 provides more flexibility with when the contribution is required to be paid as it states that it needs to be paid prior to the release of a Construction Certificate, Subdivision Works Certificate, Complying Development Certificate or Occupation Certificate. It should be noted that Council staff still ask for the Contributions to be paid prior to the issuing of a Construction Certificate, but applicants do have the ability to request to wait to pay until prior to the issue of an Occupation Certificate.

Removing the requirement to pay the contributions completely would set a dangerous precedent for Council. A more appropriate decision would be to delay the payment of the contribution so that it is required to be paid prior to the issuing of an Occupation Certificate. This would enable the Construction Certificate to be issued but will still ensure that the contributions are paid prior to the development becoming operational.

With regard to condition number 31, Council does not have the power to exempt the applicant from paying the Long Service Levy as this is a State Government fee. The levy applies to all building work in NSW valued at over \$250,000 and the levy rate is 0.25%. There are exemptions but these relate to owner-builders, churches and non-profit organisations.

Recommendation: That:

1. Council amends condition number 13 of DA50/19 to:
 - Prior to the issue of an Occupation Certificate, a receipt for the payment to Lockhart Shire Council of Section 94A Levy Contributions shall be submitted to the Certifying Authority.
The Section 94A Levy is calculated at 1% of the cost of development, as determined at the date of this consent. The total contribution to be paid has been calculated at \$48,000.
NOTE: This amount may change if there is a delay with payment of the levy, as the cost of works is to be indexed before payment to reflect quarterly variations in the Consumer Price Index (CPI). And
2. Condition number 31 of DA50/19 remain unchanged.

- E1: Meet all governance and regulatory requirements in the conduct of Council operations.

Legislative Policy and Planning Implications

- Local Government Act 1993 Section 625 Investments.
- Local Government (General) Regulation Clause 212.

Budget and Financial Aspects

Council's 2023/24 Operational Budget has forecast a total of \$401,000 income from interest on investments for General Fund & Sewer Fund combined. For the period July 2023 to May 2024, the average end of month balance of funds invested has been \$11.75 million and the average return on invested funds has been 4.86%. On these year to date figures, Council's budgeted income on investments will be achieved for the General Fund and Sewer Fund.

Responsible Accounting Officer Statement

I, Craig Fletcher, hereby certify that all investments listed in this report have been made in accordance with Section 625 of the Local Government Act 1993, Clause 212 of Local Government (General) Regulation and Council's Investment Policy. 6. 2024 LOCAL GOVERNMENT ELECTIONS UPDATE – CARETAKER PERIOD

(GM: 24/6840)

Executive Summary

An update is provided in relation to the forthcoming Local Government Elections, particularly with respect to the "caretaker" provisions contained in the Local Government (General) Regulation.

Report

The next Local Government Elections will be held on Saturday 14 September 2024.

Under the Local Government (General) Regulation, councils are required to assume a "caretaker" role in the four weeks preceding the election day.

The caretaker restrictions are designed to prevent outgoing councils from making major decisions that will bind the new council or limit its actions.

The caretaker period for the 2024 Local Government elections commences on Friday 16 August 2024 and ends on Saturday 14 September 2024.

During the caretaker period, councils, general managers, and other delegates of councils must not exercise the following functions:

- enter into any contract or undertaking involving an expenditure or receipt by the council of an amount equal to or greater than \$150,000 or 1% of the council's revenue from rates in the preceding financial year (whichever is the larger).
- determine a "controversial development application", except where a failure to make such a determination would give rise to a deemed refusal, or such a deemed refusal arose before the commencement of the caretaker period, or
- appoint or reappoint the council's general manager (except for temporary appointments).

“Controversial development application” means a development application for designated development under section 4.10 of the *Environmental Planning and Assessment Act 1979* for which at least 25 persons have made submissions during community consultation.

It is noted that Council’s August meeting is scheduled to be held on 19 August which is after the caretaker period commences.

Integrated Planning and Reporting Reference

E1: Promote the increased participation of local people in local government and the community.

Legislative Policy & Planning Implications

Section 393B Local Government (General) Regulation 2021 provides that the functions outlined in the report cannot be performed during a “caretaker” period. “Caretaker period” means the period of 4 weeks preceding the date of an ordinary election.

Budget & Financial Aspects

Provision has been made in the 2024/25 draft Budget for the conduct of the council elections based on an estimate provided by the NSWEC.

7. LOCKHART SHIRE AUDIT, RISK AND IMPROVEMENT COMMITTEE - APPOINTMENT OF INDEPENDENT CHAIR AND INDEPENDENT MEMBER

(GM: 24/6982)

Executive Summary

Lockhart Shire Council’s transition towards compliance with the new Guidelines for Audit, Risk and Improvement Committees (ARICs) issued by the Office of Local Government necessitates the appointment of an independent chair and two independent members.

Report

As previously reported to Council, amendments inserted into the Local Government Act in recent years require councils to appoint an Audit, Risk and Improvement Committee (ARIC).

The OLG has issued *Guidelines for Risk Management and Internal Audit for Local Councils in NSW* (the Guidelines) to guide the operations of ARICs and to require councils to have a risk management framework and internal audit function to support and inform their operations.

Councils must comply with the Guidelines from **1 July 2024**.

Lockhart Shire Council is a member of an Audit Alliance together with five other councils. The Audit Alliance has been a cost-effective way of sharing the services of a contracted internal auditor and having general managers and finance staff sit as independent members of another member council’s ARIC. However this arrangement will not be compliant with the new Guidelines.

In order to transition towards compliance with the new Guidelines Council, at its meeting held on 21 August 2023 resolved as follows:

“That Council continues to participate in the Internal Audit Alliance and endorse the following arrangements for the purpose of transitioning the Alliance to the requirements outlined in the Guidelines for Risk Management and Internal Audit for Local Councils in NSW issued by OLG:

- 1. A separate ARIC continue to be maintained by each member council as opposed to establishing a single shared ARIC for all six councils.*
- 2. Member councils appoint the same independent chairperson that meets the eligibility criteria following an expression of interest process.*

3. *A panel comprising persons that meet the eligibility criteria be established following an expression of interest process from which member councils can appoint two independent ARIC members.*
4. *Member councils share the cost of employing an Internal Audit Coordinator.*
5. *Member councils continue to share the cost of a contracted internal auditor where possible.”*

With respect to 2) above, expressions of interest were invited from persons who meet the prequalification criteria contained in the OLG Guidelines, to act as the Chair of the Audit, Risk and Improvement Committees of each of the Audit Alliance member councils.

A total of seven EOIs were received with three short listed for interview. The interviews were conducted by a panel of three General Managers selected from the Audit Alliance member councils following which it is recommended that Mr Nick Tobin be appointed as the Independent Chair of the Lockhart ARIC for a maximum four-year term. It is anticipated that each of the Audit Alliance member councils will pass a similar resolution to appoint Mr Tobin as the Independent Chair of their respective ARICs.

The interview panel concluded that Mr Tobin has corporate and local government sector-based experience. In addition he has experience in auditing and risk management frameworks and strong interpersonal skills. A copy of Mr Tobin's EOI and Resume has been separately distributed to Councillors.

With respect to 3) above, expressions of interest were also invited from suitably qualified persons to act as independent members of the ARICs. Unlike the position of Independent Chair, under the proposed structure of the Audit Alliance and Council's resolution referred to above, the independent members are not required to be the same for all member councils' ARICs.

Based on the EOIs received it is proposed that Kylie McRae and Raffaele D'Angelo be appointed as independent members of the Lockhart ARIC for terms of four years and two years respectively. The reason for the difference in the terms of appointment is to facilitate the rotation of independent members in compliance with the OLG Guidelines whilst maintaining some continuity.

Kylie McRae is currently a member of six other NSW council ARICs, including Snowy Valleys Council in the Riverina, and also leads the Institute of Internal Auditors of Australia consulting practice. Raffaele D'Angelo has relevant experience with corporate, not-for-profit, local government and state government entities.

Under the OLG Guidelines, Council also has the option of appointing one non-voting councillor member to the ARIC who meets the eligibility criteria for councillor members of committees in addition to the independent chair and two independent members. The mayor cannot be appointed as a councillor member of a council's ARIC.

Cr Rockliff is a member of Council's existing ARIC however this appointment and the appointment of all Council delegates will be reviewed and the first Council meeting to be held following the forthcoming local government elections.

With respect to 4) above Bland Shire Council has agreed to be the host employer for the Internal Audit Coordinator. It is proposed that 80% of the costs of employing the Internal Audit Coordinator will be shared by all the Alliance member councils with the other 20% being met by Bland Shire Council for work to be undertaken directly for Bland. A recruitment process has been completed for this position and an appointment has been made.

At its meeting held in May 2022 Council adopted a Charter for its ARIC which establishes the composition, roles and responsibilities of the Committee within the governance system of the Council. It is recommended that the Charter be revised to reflect the new composition of the ARIC following the appointment of an independent chair and two independent members and that a broader review of the Charter be undertaken by the ARIC once the new appointees are in place.

A copy of the Charter incorporating the revised composition of the ARIC is attached.

Integrated Planning and Reporting Reference

E1: Advocate and prepare for the long-term sustainability of our Shire.

- E1: Continue to enhance sound financial management policies and practices.
- E1: Meet all governance and regulatory requirements in the conduct of Council operations.
- E1: Minimise Council's exposure to risk and promote a strong risk management culture within Council.

Legislative Policy & Planning Implications

Council has complied with the primary obligation under the Local Government Act to establish an ARIC. However, the current composition of the ARIC does not comply with the new eligibility requirements for ARIC chairs and independent members. The recommendations contained in this report, if adopted, will enable Council to transition its ARIC in terms of its composition towards compliance with the OLG Guidelines by the legislative deadline of 1 July 2024.

Budget & Financial Aspects

The estimated cost of the Audit Alliance model from 1 July 2024 is \$53,000 compared with an amount of \$16,000 included in Council's 2023/24 budget. However, the alternative of Council complying with the new Guidelines on its own, including appointing its own ARIC Chair and Internal Audit Coordinator is significantly higher. This amount has been included in Council's Draft 2024/25 budget.

2. Resumes of the persons recommended for appointment as independent chair and independent members to Council's ARIC have been separately forwarded to all councillors.

Recommendation: That:

- 1) Nick Tobin be appointed Independent Chair of the Lockhart Shire Council Audit, Risk and Improvement Committee (ARIC) for a four-year term.
- 2) Kylie McRae and Raffaele D'Angelo be appointed independent members of the Lockhart Shire Council ARIC for a term of four years and two years respectively.
- 3) Council appoints a Councillor as a non-voting member of the ARIC at the first meeting of the newly elected Council following the forthcoming Local Government Elections.
- 4) Section 4 of the ARIC Charter be amended to reflect the new composition of the ARIC and that a broader review of the Charter be undertaken by the ARIC once the new appointees are in place.

Staff Report 7: Attachment 1 – Lockhart Shire Council Audit, Risk and Improvement Committee Charter

**Lockhart Shire Council
Audit, Risk and Improvement Committee
Charter**

1. The Charter

- a) A committee of the Lockhart Shire Council (the Council) will be known as the Audit, Risk and Improvement Committee (the Committee).
- b) The Committee is established pursuant to Part 4A Section 428A of the Local Government Act, 1993.
- c) This charter establishes the composition, roles and responsibilities of the Committee within the governance system of the Council.
- d) The Committee will operate within the Guidelines for Risk Management and Internal Audit for Local Government in NSW issued by the Office of Local Government.
- e) The Committee will also operate in collaboration with member councils of the Audit Alliance comprising Bland, Coolamon, Cootamundra-Gundagai, Junee, Lockhart and Temora Councils.

2. Primary Function

- a) The primary functions of the Committee are to:
 - i. Operate according to the terms of reference approved by the Council after endorsement by the Committee.
 - ii. Help the Council to comply with the Local Government Act 1993 and other relevant legislation;
 - iii. Provide a forum for communication between internal and external auditors of the Council.
 - iv. Assist the Council in exercising due care, diligence and skill in discharging its oversight and monitoring responsibilities.
 - v. Keep under review the following aspects of the Council's operations:
 - compliance,
 - risk management,
 - fraud control,
 - financial management,
 - governance,
 - implementation of the strategic plan, delivery program and strategies,
 - service reviews,
 - collection of performance measurement data by the council,
 - any other matters prescribed by the Local Government (General) Regulations.
 - vi. The Committee is also to provide information to the Council for the purpose of improving the Council's performance of its functions.
 - vii. The Committee may undertake other activities as directed by the Council.

3. Authority

- a) The Council authorises the Committee, within the scope of its role and responsibilities, to:
 - i. Request, through the General Manager, any information it needs from any employee and/or external party (subject to their legal obligation to protect information).

- ii. Discuss any matters with the external auditor and internal Auditor (subject to confidentiality considerations).
 - iii. Request the attendance of any employee, including the General Manager, at Committee meetings.
- b) The Committee does not have decision making authority, the power to bind the Council nor the power to incur expenditure.

4. Committee Structure

- a) The Audit Committee shall consist of the following members:
- Independent Chair (voting member)
 - Two independent members (voting member)
 - One Lockhart Shire Councillor (non-voting member)
- b) A quorum is reached if the Chair and one other Committee member is present.

5. Committee Meetings

- a) The Committee will meet at least three times per year in March, July, and November.
- b) The General Manager will ensure that an annual meeting schedule and work plan that covers the Committee's responsibilities as outlined in this Charter is prepared on an annual basis for consideration and adoption by the Committee.
- c) The General Manager will ensure that an agenda is prepared for each meeting and that the agenda and relevant documents are distributed to Committee members at least one week prior to each meeting.
- d) The General Manager will ensure that minutes of meetings are maintained to record deliberations and decisions of the Committee and that the minutes are tabled at the next Council meeting following the Committee meeting.
- e) The General Manager and Director Corporate and Community Services may attend Committee meetings.
- f) In accordance with Section 376 (4) of the Local Government Act the Committee may exclude the General Manager from a meeting if it thinks it appropriate to do so in the circumstances.
- g) The Committee may require other staff members or others to attend Committee meetings.
- h) Council's external auditor, the Audit Office of NSW (AONSW), and the firm contracted from time to time to undertake the external audit of behalf of the AONSW, may be invited to attend Committee meetings.
- i) The firm or person contracted from time to time by the Internal Audit Alliance to provide Internal Audit Services may be invited to attend meetings.

6. Conduct of Members

- a) Committee members are required to comply with the Council's Code of Conduct.

7. Committee's Responsibilities in Relation to Auditors

- a) The Internal Audit Alliance comprising representatives of the Coolamon, Junee, Lockhart and Temora Councils select the firm to provide internal audit services.
- b) The Committee will review and approve the scope of the annual internal audit plan and the audit methodology for individual internal audit reviews.
- c) The Committee will confirm and assure the independence of internal audit by providing the Internal Auditor with direct access to the Chair of the Committee. As a Local Government authority the Council's external audit is determined by statute.
- d) The Committee will obtain an understanding, through consultation with the external auditor, of the audit scope and broad plans for the external audit.

8. Committee's Responsibilities in Relation to Risk Management

- a) The Committee will provide independent assurance of the Council's risk management activities.

- b) The Committee will review the Risk Register and the activities of the Management Executive relating to risk management on an annual basis.
- c) The Committee will review any significant risks, findings and recommendations made by internal auditing, together with management's responses to them.
- d) The Committee will review any significant risks, findings and recommendations made by external auditing, including audit reports and audit management letters, together with management's responses to them.

9. Committee's Responsibilities in Relation to Financial Management

- a) Shortly after the statutory audit is completed, the Committee may review the following with management and the external auditor:
 - i. The Council's annual financial statements and the related notes.
 - ii. The external auditor's audit of and report on the financial statements.
 - iii. The external auditor's qualitative judgement about the appropriateness of accounting principles and disclosures.
 - iv. Any serious difficulties or disputes with management encountered during the course of the audit.

10. Committee's Responsibilities in Relation to Fraud Control

- a) The reporting of suspected or detected incidents of fraud and other notifiable incidents will be a standing item on the agenda for Committee meetings.
- b) The Committee will review the Council's Fraud Control Policy and Fraud Control Action Plan on an annual basis.
- c) The Committee will review the register of Gifts and Benefits on an annual basis.

11. Committee's Responsibilities in Relation to Compliance

- a) The reporting of suspected or detected incidents of non-compliance or legislative breaches and other notifiable incidents will be a standing item on the agenda for Committee meetings.
- b) The Committee will review the Local Government Act Compliance Checklist on an annual basis.

12. Responsibilities for Service Reviews and Performance Management

- c) The Committee will oversee any service reviews undertaken by Management at Council's request.
- d) The Committee may oversee or conduct an investigation into any matter referred to it by the Council.

13. Other Responsibilities

- a) The Committee will:
 - i. Review annually the Committee's Charter to ensure ongoing relevance and consistency and recommend updates where necessary.
 - ii. Report annually to the Council on the Committee's performance and compliance in relation to this charter.

Adopted by Council on 17 June 2024 - Council minute no. xxx/24.

An update is provided in relation to the availability of childcare for working parents in Lockhart.

Background

Councillors will be aware that the availability of childcare services in Lockhart has been a cause for major concern as a result of the privately operated and only long day care centre in Lockhart closing its doors.

The closure of the centre has consequences not only for working parents but also for the broader community from an economic development perspective in view of the degree to which facilities such as schools and hospitals as well as local businesses rely on the availability of childcare to be able to attract and retain staff.

A Working Group has been established comprising parents, councillors and council staff, Dr Joe McGirr MP and representatives of his office, Department of Regional NSW, Lockhart Central School and Lockhart Preschool.

Discussions have also been held with the Department of Education (Early Childhood Outcomes), with the discussions being initially focused on identifying suitable temporary premises that could provide a short-term interim solution whilst a permanent longer-term solution is pursued.

As a result of these discussions, and as verbally reported to the last Council meeting, the favoured short term interim solution is to establish a childcare centre at the Lockhart Central School which has agreed to make its library space available for this purpose. One of the advantages of this site is that Council is already an approved childcare provider as a result of being licensed to operate the Lockhart OOSH there on a trial basis.

Report

Whilst the School is being very cooperative with making available the site for a temporary solution it is not in a position to fund the modifications necessary to make the premises compliant with the regulations, which includes some electrical work, joinery and the erection of fencing to separate the outdoor area required for the childcare centre. That means it will fall on Council as the approved childcare provider for that space to fund the improvements if this option is to proceed.

As the improvements are to be carried out on school grounds, the process has to be undertaken by the Department of Education's Asset Management Unit in accordance with its tender protocols. This includes the Asset Management Unit preparing its own internal estimate of the cost of the works before inviting tenders from its approved list of contractors.

The Asset Management Unit has advised that its internal estimate for the required work is \$40,000. However, this estimate has not been market tested and the actual cost may vary.

Discussions with the School suggest that Council may have the option of paying for the work when a tender is accepted and the work is undertaken or making several part payments over a period of 12 to 18 months.

As the approved childcare provider and operator of the service the Council will also have other operational costs. However, it will also receive revenue in the form of session fees from parents, similar to the operation of The Rock OOSH.

As Council is already the approved childcare provider for the subject premises, this is considered the most cost-effective option to establish a childcare service in the shortest possible timeframe as converting any other building that may already be under Council's ownership or control would be significantly more expensive.

It is also noted that irrespective of any long-term permanent solution that may emerge, Council may wish to remain an approved provider at this location for the purposes of an OOSH.

Legislative Policy & Planning Implications

The NSW Department of Education - Early Childhood Outcomes (ECO) division is responsible for ensuring all children make a successful transition to school through the funding of programs to support more children to access quality early childhood education and care across the state.

The ECO division also leads the delivery of new early learning and child development initiatives to support all children in the critical first 5 years of life.

The Department of Education - Early Childhood Education Directorate (ECED) is the Regulatory Authority in NSW responsible for regulating early childhood education and care services in NSW.

Department of Education's Asset Management Unit is responsible for undertaking capital works and asset management on school grounds.

Budget & Financial Aspects

Whilst Council operates a before and after school care service at The Rock, and has trialled a similar service at Lockhart, Council has never operated a long day care centre and there is no provision in the current Budget, for extending Council's involvement in children's services beyond the existing arrangements.

However, the Quarterly Budget Review as at 31 March 2024, tabled at the Council meeting held on 20 May 2024, forecasts a surplus of \$93,345 at years end, compared to a deficit of \$72,366 at the time the Budget was originally adopted, which will enable the funding of this expenditure.

Recommendation: That, as the approved provider for childcare services operated from the Lockhart Central School library, Council meets the cost of modification and improvement works required for the purposes of extending the existing licence obtained for the Lockhart OOSH to include a long day care service.
